ISSUE

Did the Department of Health and Human Services (Department) properly close Petitioner's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On August 31, 2017, the Department received Petitioner's completed Redetermination (DHS-1010) form. Exhibit A, pp 8-15.
2. Petitioner reported on his Redetermination form that he will not claim any dependents or be claimed as a dependent on his tax returns. Exhibit A, p 10.
3. Petitioner reported to the Department on his Redetermination form that he received earned income in the gross amount of \$864.80 every two weeks. Exhibit A, p 12.
4. On October 3, 2017, the Department notified Petitioner that he was not eligible for Medical Assistance (MA). Exhibit A, p 4.

5. On October 12, 2017, the Department received Petitioner's request for a hearing protesting the denial of his application for Medical Assistance (MA). Exhibit A, pp 2-3.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The income limit to participate in the Healthy Michigan Plan (HMP) is 133% of the federal poverty level. Department of Health and Human Services Reference Table Manual (RFT) 246 (April 1, 2014), p 1.

MAGI for purposes of Medicaid eligibility is a methodology which state agencies and the federally facilitated marketplace (FFM) must use to determine financial eligibility. It is based on Internal Revenue Service (IRS) rules and relies on federal tax information to determine adjusted gross income. It eliminates asset tests and special deductions or disregards. Every individual is evaluated for eligibility based on MAGI rules. The MAGI rules are aligned with the income rules that will be applied for determination of eligibility for premium tax credits and cost-sharing reductions through exchanges. Department of Health and Human Services Bridges Eligibility Manual (BEM) 500 (January 1, 2016), pp 3-4.

Modified adjusted gross income (MAGI) is a methodology for how income is counted and how household composition and family size are determined. It is based on federal tax rules for determining adjusted gross income. It eliminates asset tests and special deductions or disregards. Every individual is evaluated for eligibility based on MAGI rules. The MAGI rules are aligned with the income rules that will be applied for determination of eligibility for premium tax credits and cost-sharing reductions through exchanges. The 5% disregard is the amount equal to 5% of the Federal Poverty Level for the applicable family size. It is not a flat 5% disregard from the income. The 5%

disregard shall be applied to the highest income threshold. The 5% disregard shall be applied only if required to make someone eligible for Medicaid.¹

Household income is the sum of the MAGI-based income of every individual included in the individual's household, minus an amount equivalent to 5 percentage points of the Federal poverty level for the applicable family size. 42 CFR 435.603.

The Department received Petitioner's completed Redetermination (DHS-1010) on August 31, 2017, and conducted a routine review of his eligibility for ongoing MA benefits. Petitioner has not been declared to be disabled or pregnant and is between age 19 and 64. Petitioner reported to the Department that he will not claim any dependents or be claimed as a tax dependent. Therefore, the Department reviewed Petitioner's eligibility for the Healthy Michigan Plan (HMP) because that is the only category of MA that he is potentially eligible for.

Petitioner reported that he received earned income from employment in the gross amount of \$864.80 every two weeks. This amount was not disputed during the hearing. The monthly income limit for a group of one to receive HMP benefits is \$1,336.65, which is 133% of the federal poverty level. Therefore, Petitioner is not eligible for HMP benefits based on his MAGI.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's Medical Assistance (MA) benefits.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
