HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on February 8, 2018, from Detroit, Michigan. Petitioner was present and represented himself. The Department of Health and Human Services (Department) was represented by Brenda Drewnicki, Hearing Facilitator.

ISSUE

Did the Department properly close Petitioner's Medical Assistance (MA) benefit case?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing MA recipient under the full-coverage Healthy Michigan Program (HMP).
2. On December 11, 2017, the Department sent Petitioner a Health Care Coverage Determination Notice informing Petitioner that he was ineligible for MA benefits as of January 1, 2018, ongoing.
3. On December 18, 2017, Petitioner submitted a request for hearing disputing the Department's actions.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner began receiving Unemployment Compensation Benefits (UCB) in October 2017 (Exhibit B). The Department budgeted the UCB benefits and determined Petitioner was no longer eligible for MA benefits.

The Department concluded that Petitioner was not eligible for HMP because his income exceeded the applicable income limit for her group size. HMP uses a Modified Adjusted Gross Income (MAGI) methodology. BEM 137 (October 2016), p. 1. An individual is eligible for HMP if her household's income does not exceed 133% of the Federal Poverty Level (FPL) applicable to the individual's group size. BEM 137, p. 1. An individual's group size for MAGI-related purposes requires consideration of the client's tax filing status. In this case, for HMP purposes, Petitioner has a household size of one. BEM 211 (January 2016), pp. 1-2.

133% of the annual FPL in 2017 for a household with one member is \$16,039.80. See <https://aspe.hhs.gov/poverty-guidelines>. Therefore, to be income eligible for HMP, Petitioner's annual income cannot exceed \$16,039.80. To determine financial eligibility under HMP, income must be calculated in accordance with MAGI under federal tax law. BEM 500 (July 2017), p. 3. MAGI is based on Internal Revenue Service rules and relies on federal tax information. BEM 500, p. 3. Income is verified via electronic federal data sources in compliance with MAGI methodology. MREM, § 1.

In order to determine income in accordance with MAGI, a client's adjusted gross income (AGI) is added to any tax-exempt foreign income, tax-exempt Social Security benefits, and tax-exempt interest. AGI is found on IRS tax form 1040 at line 37, form 1040 EZ at line 4, and form 1040A at line 21. Alternatively, it is calculated by taking the "federal taxable wages" for each income earner in the household as shown on the paystub or, if not shown on the paystub, by using gross income before taxes reduced by any money the employer takes out for health coverage, child care, or retirement savings. This figure is multiplied by the number of paychecks the client expects in 2017 to estimate

income for the year. See <https://www.healthcare.gov/income-and-household-information/how-to-report/>.

At the hearing, the Department conceded that Petitioner's household income was not properly calculated. The Department budgeted Petitioner's UCB benefits over the entire year. The Department testified that was an error, as UCB benefits are temporary in nature. Individuals are only entitled to UCB benefits for a total of 20 weeks per benefit year. As of January 1, 2018, the Department testified that Petitioner was only eligible to receive 9 more weeks of UCB benefits. The Department also conceded that had the UCB benefits been budgeted correctly, it is likely that Petitioner would have been eligible for HMP benefits. Therefore, the Department did not act in accordance with policy when it closed Petitioner's MA benefit case.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when it closed Petitioner's MA benefit case. Accordingly, the Department's decision is **REVERSED**.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Redetermine Petitioner's MA eligibility as of January 1, 2018, ongoing;
2. If Petitioner is eligible for MA benefits, provide him with the MA benefits he is entitled to receive as of January 1, 2018, ongoing;
3. Notify Petitioner of its MA decision in writing.
