HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on February 8, 2018, from Detroit, Michigan. Petitioner was present with [REDACTED]. The Department of Health and Human Services (Department) was represented by Shaton Mason, Eligibility Specialist.

ISSUE

Did the Department properly determine Petitioner's Medical Assistance (MA) benefit eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing MA recipient under the full-coverage Ad-Care program.
2. In September 2017, Petitioner began receiving Veterans Compensation benefits in the amount of \$300 per month.
3. Petitioner also receives unearned income in the form of Retirement, Survivors, and Disability Insurance (RSDI) in the amount of \$789 per month.
4. On November 6, 2017, the Department sent Petitioner a Health Care Coverage Determination Notice informing Petitioner that she was eligible for MA benefits subject to a monthly deductible of \$694 effective September 1, 2017, ongoing.

5. On December 8, 2017, Petitioner submitted a request for hearing disputing the Department's actions.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner submitted a request for hearing disputing the Department's calculation of her deductible amount. Petitioner was previously receiving full-coverage benefits under the Ad-Care program. The Department received information that Petitioner began receiving veteran's compensation benefits beginning in September 2017 in the amount of \$300 per month. The Department budgeted the veteran's compensation and determined Petitioner was eligible for MA benefits subject to a monthly deductible of \$694.

As a disabled and/or aged individual, Petitioner is potentially eligible to receive MA benefits through AD-Care. Ad-Care is an SSI-related full-coverage MA program. BEM 163 (July 2017), p. 1. It was not disputed that Petitioner receives \$789 per month in RSDI benefits and \$300 per month in veteran's compensation. Petitioner is married but has not lived with her husband in more than 10 years. Per policy, Petitioner is a group size of one. BEM 211 (January 2016), p. 8. The Department gives AD-Care budget credits for employment income, guardianship and/or conservator expenses and cost of living adjustments (COLA) (for January through March only). Petitioner did not allege any such factors were applicable. Income eligibility for AD-Care exists when countable income does not exceed the income limit for the program. BEM 163 (July 2017), p. 2. The income limit for AD-Care for a one-person MA group is \$1025. RFT 242 (April 2017), p. 1. Because Petitioner's monthly household income exceeds \$1025, the Department properly determined Petitioner to be ineligible for MA benefits under AD-Care.

Petitioner may still receive MA benefits subject to a monthly deductible through a Group 2 Medicaid category. Petitioner is not the caretaker of any minor children, and therefore, does not qualify for MA through the Group 2-Caretaker MA program.

Petitioner may still receive MA benefits subject to a monthly deductible through the G2S program. G2S is an SSI-related MA category. (April 2017). As stated above, Petitioner's SSI-related MA group size is one. Petitioner's net income is \$1069 (her gross unearned income reduced by a \$20 disregard). BEM 541 (April 2017), p. 3. The deductible is in the amount that the client's net income (less any allowable needs deductions) exceeds the applicable Group 2 MA protected income levels (PIL); the PIL is based on the client's MA fiscal group size and the county in which she resides. BEM 105, p. 1; BEM 166 (April 2017), pp. 1-2; BEM 544 (July 2016), p. 1; RFT 240 (December 2013), p. 1; RFT 200 (April 2017), p. 2. The monthly PIL for a client in Petitioner's position, with an MA fiscal group size of one living in Wayne County, is \$375 per month. RFT 200, p. 2; RFT 240, p. 1. Thus, if Petitioner's monthly net income (less allowable needs deductions) is in excess of \$375, she is eligible for MA assistance under the deductible program, with the deductible equal to the amount that her monthly net income, less allowable deductions, exceeds \$375. BEM 545 (January 2017), pp. 2-3. The Department presented an SSI-related MA budget showing the calculation of Petitioner's deductible (Exhibit B).

In determining the monthly deductible, net income is reduced by health insurance premiums paid by the MA group and remedial service allowances for individuals in adult foster care or homes for the aged. BEM 544, pp. 1-3. In this case, there was no evidence that Petitioner resides in an adult foster care home or home for the aged. Therefore, she is not eligible for any remedial service allowances. There was evidence that Petitioner had Medicare Part B coverage, but the expense was paid by the State of Michigan. There was no evidence Petitioner had any other expense related to health insurance premiums. Therefore, the Department properly did not include any deductions for medical expenses. Petitioner's net income of \$1069 reduced by the \$375 PIL is \$694. Therefore, the Department properly determined that Petitioner is eligible for MA benefits under the G2S program subject to a monthly deductible of \$694.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined Petitioner's MA eligibility. Accordingly, the Department's decision is **AFFIRMED**.
