HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on July 11, 2018, from Lansing, Michigan. Petitioner was represented by herself. The Department of Health and Human Services (Department or Respondent) was represented by Julie McLaughlin, Hearings Facilitator and Family Independence Manager.

Respondent's Exhibit A (pages 1 – 9) were admitted as evidence.

ISSUE

Did the Department properly calculate the appropriate amount for Petitioner's Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner is a FAP benefit recipient.
2. On June 3, 2018, the Department caseworker updated Petitioner's new shelter expense.

3. On May 3, 2018, the caseworker sent Petitioner a Notice of Case Action DHS-1605, informing Petitioner that she is entitled to receive \$83.00 per month in FAP benefits.
4. On June 4, 2018, Respondent received a Request for Hearing to contest the amount of FAP benefit amount and the calculations used in the determination, stating that SNAP has different ways in which to calculate FAP benefits.
5. A Pre-Hearing Conference was scheduled for June 13, 2018. Petitioner did not appear but did leave a message that she was no longer interested in a hearing because she just received a hearing decision and was unhappy with the result.
6. No hearing withdrawal was received by the Department.
7. On June 15, 2018, the Michigan Administrative Hearing System received the Hearing Summary and attached documents.
8. On July 11, 2018, the hearing was held.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

Federal regulations at 42 CFR 435.831 provides standards for the determination of the MA monthly protected income level. The Department follows the program reference manual, tables, charts, schedules, Table 240-1.

Pertinent Department policy dictates:

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness. The Michigan Administrative Hearing System (MAHS) may grant a hearing for any of the following:

- Denial of an application and/or supplemental payments.
- Reduction in the amount of program benefits or service.
- Suspension or termination of program benefits or service.
- Restrictions under which benefits, or services are provided.
- Delay of any action beyond standards of promptness.
- For FAP only, the current level of benefits or denial of expedited service.
Department of Human Services Bridges Administrative Manual (BAM) 600
(April 1, 2017), pp 3-4.

The client or AHR has 90 calendar days from the date of the written notice of case action to request a hearing. The request must be received in the local office within the 90 days. BAM 600, page 6

Income means a benefit or payment received by an individual which is measured in money. It includes money an individual owns even if not paid directly such as income paid to a representative. Income remaining after applying the policy in the income related items is called countable. This is the amount used to determine eligibility and benefit levels. Count all income that is not specifically excluded. BEM 500, page 1

Gross income is the amount of income before any deductions such as taxes or garnishments. This may be more than the actual amount an individual receives. BEM 500, pages 4-5

Use only available, countable income to determine eligibility. The Bridges Eligibility Manual (BEM) 500 series defines countable income. BEM 505 defines available income and income change processing. This item describes income budgeting policy.

Always calculate income on a calendar month basis to determine eligibility and benefit amounts. Use income from a month specified in this item for the benefit month being considered. Budget the entire amount of earned and unearned countable income. Every case is allowed the standard deduction shown in Reference Tables Manual (RFT) 255. Document income budgeting on either a manually-calculated or an automated FAP worksheet. (BEM 550, page 1)

In this case, Petitioner receives \$734.00 per month in countable unearned income. She receives a standard deduction of \$160.00, for an adjusted gross income of \$574 per month. Fifty percent of the adjusted gross income equals \$287.00. She receives an excess shelter deduction of \$500.00; \$500.00 in excess shelter deduction minus \$287.00 (50% adjusted gross income) equals \$213.00 in excess shelter deduction; \$574.00 in adjusted gross income minus \$213.00 in excess shelter deduction equals \$361.00 in monthly net income. The maximum benefit amount allowed for a one-person household is \$192.00 per month. Thirty percent of Petitioner's net income equals \$109.00; \$192.00 maximum benefit minus 30% of Petitioner's net income \$109.00 equals a monthly benefit amount of \$83.00 for a household group of one person. (Respondent's Exhibit A pages 6-8)

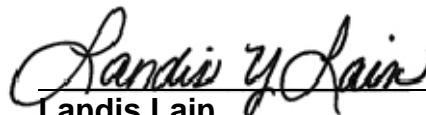

Petitioner's allegation that the FAP calculation is wrong and does not leave her enough FAP benefits to buy food for the entire month because of her other expenses is a compelling equitable argument to be excused from the Department's program policy requirements. This Administrative Law Judge has no equity powers. A review of Petitioner's case reveals that the Department budgeted the correct amount of income received by the Petitioner at the time of determination. Petitioner's deductions and shelter allotment are governed by FAP policy and cannot be changed by the Department or this Administrative Law Judge.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department has established by the necessary competent, material and substantial evidence on the record that it was acting in accordance with department policy when it determined that petitioner was eligible for a \$83.00 per month in FAP benefits. The Department has established its case by a preponderance of the evidence.

DECISION AND ORDER

Accordingly, the Department's decision is **AFFIRMED**.
