5. On **Constant and the Department received Petitioner's request for a hearing protesting the closure of his Medical Assistance (MA).** Exhibit A, pp 1-2.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The income limit to participate in the Healthy Michigan Plan (HMP) is 133% of the federal poverty level. Department of Health and Human Services Reference Table Manual (RFT) 246 (April 1, 2014), p 1.

MA-only eligibility is determined on a calendar month basis. Unless policy specifies otherwise, circumstances that existed, or are expected to exist, during the calendar month being tested are used to determine eligibility for that month. When determining eligibility for a future month, assume circumstances as of the processing date will continue unchanged unless you have information that indicates otherwise. Department of Human Services Bridges Eligibility Manual (BEM) 105 (January 1, 2016), p 2.

Department policy is consistent with federal regulations under 42 CFR § 435.603(h) that state:

Financial eligibility for Medicaid for applicants, and other individuals not receiving Medicaid benefits at the point at which eligibility for Medicaid is being determined, must be based on current monthly household income and family size.

Petitioner was an ongoing MA recipient when the Department evaluated his eligibility for ongoing benefits. Petitioner's earned income over the previous 30 days evaluated by the Department is approximately **of** the federal poverty level. Since Petitioner's gross income exceeds the 133% income limit, the Department closed his MA benefits.

Petitioner testified that one of his jobs was ending and that that he would not be receiving this income in the future.

However, Petitioner had not provided verification of ending income and based on his circumstances as they existed in July of 2018, the Department properly determined that he was not eligible for MA benefits.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's Medical Assistance (MA) benefits based on his gross monthly income.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
