Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on November 21, 2018, from Lansing, Michigan. Petitioner represented himself. The Department was represented by James McHoskey.

ISSUE

Did the Department of Health and Human Services (Department) properly close Petitioner's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing Medical Assistance (MA) benefits recipient when the Department requested that he complete and return a Redetermination (DHS-1010) form by August 6, 2018. Exhibit A, pp 5-6.
2. On August 23, 2018, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting that he provide verification of all his bank accounts by September 4, 2018. Exhibit A, p 13.
3. On September 18, 2018, the Department notified Petitioner that his Medical Assistance (MA) benefits would close as of November 1, 2018, for failing to verify all of his bank accounts. Exhibit A, pp 16-17.

4. On September 28, 2018, the Department received Petitioner's request for a hearing protesting the closure of his Medical Assistance (MA) benefits. Exhibit A, p 3.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2018), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

Petitioner was an ongoing MA recipient when the Department initiated a routine review of his eligibility for ongoing benefits by sending him a Redetermination (DHS-1010) form. On August 23, 2018, the Department suspected that Petitioner had not provided verification of the current balance of all his bank accounts and requested that he provide copies of bank statements by September 4, 2018. On September 18, 2018, the Department had received verification of some of Petitioner's bank accounts but not all of them. The Department notified Petitioner that his MA benefits would close effective November 1, 2018.

Petitioner did not dispute that he failed to provide verification of all his bank accounts but testified that the account that was not verified held an inconsistent amount of money.

This Administrative Law Judge finds that Petitioner had a duty to provide the Department with information necessary to accurately determine his eligibility for ongoing MA benefit and he failed to provide that information in a timely manner.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's Medical Assistance (MA) benefits.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
