HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on December 6, 2018, from Lansing, Michigan. Petitioner was represented by her daughter [REDACTED]. The Department of Health and Human Services was represented by Valarie Foley.

ISSUE

Did the Department of Health and Human Services (Department) properly deny Petitioner's application for Medical Assistance (MA)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On July 18, 2018, the Department sent Petitioner a Health Care Coverage Supplemental Questionnaire (DHS-1004) with a July 30, 2018, due date. Exhibit A.
2. On September 4, 2018, the Department notified Petitioner that her application for Medical Assistance (MA) had been denied. Exhibit B.
3. On October 11, 2018, the Department received Petitioner's request for a hearing protesting the closure of her Medical Assistance (MA) application.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2018), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

Petitioner applied for MA benefits and the Department sent her a Health Care Coverage Supplemental Questionnaire (DHS-1004) addressed to Petitioner's correct address of record and a July 30, 2018, due date. When that form was not returned to the Department, the Department denied Petitioner's application for MA benefits.

While a presumption arises that a letter with a proper address and postage will, when placed in the mail be delivered by the postal service, this presumption can be rebutted with evidence that the letter was not received. If such evidence is presented, as it was here, then a question of fact arises regarding whether the letter was received. [Citations omitted.] *Goodyear Tire & Rubber Co v Roseville*, 468 Mich 947; 664 NW2d 751 (2003).

In this case, the Department presented substantial evidence that Petitioner was sent a Health Care Coverage Supplemental Questionnaire at her correct address of record, and the Petitioner failed to rebut the presumption of receipt.

Petitioner had a duty to provide the Department with the information necessary to accurately determine her eligibility for MA benefits and the Department was acting in accordance with policy when it denied Petitioner's application.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied Petitioner's [REDACTED] of 2018, application for Medical Assistance (MA).

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
