ADMINISTRATIVE LAW JUDGE: Jacquelyn A. McClinton

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on January 28, 2019, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits for 12-months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on December 17, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving FAP benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report felony drug convictions to the Department.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is January 12, 2015 through October 31, 2017 (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's first alleged IPV.
10. A Notice of Hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2017), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2018), p. 8; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP benefits if the terms of probation or parole are violated and the qualifying conviction occurred after August 22, 1996. In addition, an individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203 (July 2013), p. 2.

The offense must be classified as a felony by the law of the State, and have as an element the possession, use or distribution of a controlled substance. The term “distribute” means to deliver (other than administering or dispensing) a controlled substance or a listed chemical. The term “deliver” or “delivery” means the actual, constructive, or attempted transfer of a controlled substance or a listed chemical, whether or not there is an agency relationship. 21 USC section 862a(a)(1) and (2); 21 USC 802(8) and (11). The disqualification does not apply if the conviction is for conduct occurring on or before August 22, 1996. 21 USC 862a(d)(2).

In support of its contention that Respondent committed an IPV, the Department presented two applications, submitted by Respondent to the Department on [REDACTED] 2015 and [REDACTED] 2017, in which Respondent acknowledged that he had received the Information Booklet advising him regarding “Things You Must Do” which explained reporting requirements for criminal convictions, probation and/or parole violations. In both applications, Respondent indicated that he had not been convicted of a drug related felony.

Additionally, the Department presented documentation which showed that Respondent had been convicted of drug related felonies on [REDACTED] 2000 and [REDACTED] 2017. As previously stated, an IPV can only be established when the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. At the time Petitioner submitted the [REDACTED] 2015 application for FAP benefits, he had not yet been convicted of two drug related felonies. Although Petitioner was untruthful when he indicated that he had not been convicted of a drug related felony, this misrepresentation did not entitle him to FAP benefits for which he was otherwise ineligible.

The Department requested an overissuance in the amount of \$[REDACTED] for FAP benefits received from January 12, 2015 through October 31, 2017. At the time Petitioner submitted the [REDACTED] 2017, he had in fact been convicted of two drug related felonies. As such, he would have been ineligible for any FAP benefits received

after the [REDACTED] [REDACTED] 2017 conviction. There was no evidence presented to show that Petitioner received FAP benefits between April 13, 2017 and August 31, 2017. However, according to the Benefits Issuance Summary, Petitioner received \$[REDACTED] in FAP benefits in September 2017 and \$[REDACTED] in FAP benefits in October 2017, for a total of \$[REDACTED]

The OIG is only permitted to request an IPV when the overissuance is \$500.00 or greater or in cases for which one of the exceptions apply. None of the exceptions noted in BAM 700 apply in this case. Because the amount of FAP benefits received after Petitioner was no longer eligible for benefits was less than \$500.00, it is found that the Department has failed to establish that Petitioner committed an IPV and as a result has also failed to establish that an overissuance exist in this matter. Petitioner is therefore not disqualified for FAP benefits as a result of having committed an IPV.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has not established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did not receive an OI of FAP benefits in the amount of \$[REDACTED]

The Department is ORDERED to delete the OI and cease any recoupment action.

It is FURTHER ORDERED that Respondent is not subject to a 12-month disqualification from FAP benefits.
