Agency No.: [REDACTED]  
Petitioner: OIG  
Respondent: [REDACTED]

**ADMINISTRATIVE LAW JUDGE: Jacquelyn A. McClinton**

### **HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on December 4, 2019, from Detroit, Michigan. The Department was represented by Mark Mandreky, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

### **ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits for 12 months?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on July 29, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving FAP program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility not to engage in the trafficking of FAP benefits.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is July 20, 2018 (fraud period).
7. The Department alleges that Respondent engaged in the trafficking of FAP benefits in the amount of \$300.00.
8. This was Respondent's first alleged IPV.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2017), pp. 12-13.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

7 CFR 273.16(c); BAM 700 (January 2018), p. 8; BAM 720, p. 1.

Additionally, trafficking is (i) the buying or selling of FAP benefits for cash or consideration other than eligible food; (ii) selling products purchased with FAP benefits for cash or consideration other than eligible food; (iii) purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits; and (iv) attempting to buy, sell or steal FAP benefits for cash or consideration other than eligible food. BAM 700 (October 2016), p. 2. Trafficking also includes (i) fraudulently using, transferring, altering, acquiring, or possessing coupons,

authorization cards, or access devices, or (ii) redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203 (October 2015), p. 3.

In the present case, the Department alleges that Respondent committed an IPV of FAP benefits based on a social media post (Facebook) and a response by Respondent. The Department presented evidence relating to Respondent's Facebook posts:

- On May 19, 2018, Respondent posted "Stamps foe sale."
- On June 26, 2018, Respondent posted "Stamps foe sale."
- On July 20, 2018, Respondent posted "Anybody want some yamps."
  - This post had several comments which included "3 what? 300?" to which Respondent indicated "300 or not I can go under."
- On December 18, 2018, Respondent posted "Who Want Sum Food Yamps."

The Department submitted an image from Respondent's Facebook page to the Michigan State Police Facial Recognition Unit which positively identified Respondent. Respondent was not receiving state benefits at the time of the posts. However, the Department testified that Respondent has applied for benefits in the past and that each application informs applicants of the responsibility not to engage in the trafficking of FAP benefits.

The federal regulations define trafficking to include "attempting to buy, sell, steal, or otherwise affect an exchange of [FAP] benefits issued and accessed via Electronic Benefit Transfer (EBT) . . . for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone." 7 CFR 271.2. Respondent failed to appear at the hearing and thus, failed to offer an alternative explanation to her Facebook post other than the attempted sale of FAP benefits in violation of the Department policy and the federal regulations. Therefore, it is found that the Department has established by clear and convincing evidence that Respondent committed an IPV of FAP benefits.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for 10 years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16; 7 CFR 273.16(b). A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is subject to a 12-month disqualification under the FAP program.

**Recoupment**

Pursuant to 7 CFR 18(c)(2), claims arising from trafficking-related offenses will be the value of the trafficked benefits as determined by:

- (i) The individual's admission
- (ii) Adjudication; or
- (iii) The documentation that forms the basis for the trafficking determination.

The Department indicated that it was only seeking to recoup benefits referenced in the social media posts which totaled \$300.00. As previously stated, the Department has established that Respondent trafficked FAP benefits on July 20, 2018; and as such, it is entitled to recoup \$300.00.

**DECISION AND ORDER**

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent did commit an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$300.00.

The Department is ORDERED to initiate recoupment procedures for the amount of \$300.00 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
