HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, telephone hearing was held on March 7, 2019, from Lansing, Michigan. Petitioner was represented by herself. The Department was represented by Mariah Schaefer.

ISSUE

Did the Department of Health and Human Services (Department) properly deny Petitioner's application for State Emergency Relief (SER) assistance?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED], 2018, Petitioner applied for State Emergency Relief (SER) benefits seeking assistance with repairs to her home furnace.
2. Department records indicate that the Department discovered through a collateral contact with a contractor that had supplied a cost estimate for the furnace repairs, that the furnace at Petitioner's home is functional. Exhibit A, p 3.
3. On December 20, 2018, the Department notified Petitioner that her application for State Emergency Relief (SER) benefits had been denied. Exhibit A, p 1.
4. On January 7, 2019, the Department received Petitioner's request for a hearing protesting the denial of her State Emergency Relief (SER) application.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The State Emergency Relief (SER) program is established by the Social Welfare Act, MCL 400.1-.119b. The SER program is administered by the Department (formerly known as the Department of Human Services) pursuant to MCL 400.10 and Mich Admin Code, R 400.7001-.7049.

The Low Income Home Energy Assistance Program (LIHEAP) is the funding source for energy-related repairs. Repair or replacement of a non-functioning furnace is currently the only allowable energy-related home repair. Department of Health and Human Services Emergency Relief Manual (ERM) 304 (October 1, 2018), p 2.

On December 6, 2018, the Department received Petitioner's SER application requesting assistance with furnace repairs. Department records indicate that the furnace at Petitioner's home is functioning. Petitioner did not offer any evidence that her furnace is not functioning. Therefore, the Department denied the SER application.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied Petitioner's State Emergency Relief (SER) application.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
