ISSUE

Did the Department of Health and Human Services (Department) properly determine Petitioner's eligibility for Medical Assistance (MA) and Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On April 3, 2019, the Department sent Petitioner a Verification Checklist (DHS-3503) with an April 15, 2019, due date. Exhibit A, p 2.
2. On June 26, 2019, the Department notified Petitioner that he was not eligible for Medical Assistance (MA) as of May 1, 2019. Exhibit A, pp 6-7.
3. On July 19, 2019, the Department received Petitioner's request for a hearing.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

Assets means cash, any other personal property and real property. Real property is land and objects affixed to the land such as buildings, trees and fences. Condominiums are real property. Personal property is any item subject to ownership that is not real property. Countable assets cannot exceed the applicable asset limit. An asset is countable if it meets the availability tests and is not excluded. Available means that someone in the asset group has the legal right to use or dispose of the asset. Department of Human Services Bridges Eligibility Manual (BEM) 400 (January 1, 2018), pp 1-7.

The MA asset limit for a group of one receiving Medicare is \$2,000. BEM 400, p 8.

The FAP asset limit is \$5,000. BEM 400, p 5.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2018), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

The Department initiated a routine review of Petitioner's eligibility for ongoing MA and FAP benefits. This review included a determination of his countable assets. Petitioner's home, which has been placed in a trust, is an excluded asset. Petitioner also owns trailers, which are countable assets. Department policy includes passenger

cars, trucks, motorcycles, motorbikes, trailers, campers, motor homes, boats and all-terrain vehicles under the definition of "vehicle," but some assets such as trailers are likely to be more difficult to obtain verification of the fair market value from online services such as Kelly Blue Book. Petitioner provided documentation from trailer dealers in an attempt to verify his countable assets, but this material not found to be insufficient. Although this documentation was determined to be insufficient by the Department, it was not offered as evidence by the Department.

Based on the evidence and testimony available during the hearing, this Administrative Law Judge finds that Petitioner did not refuse to provide verification of his countable assets, and he made a reasonable attempt to provide the Department with sufficient verification of those assets.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when closed Petitioner's benefits as of May 1, 2019.

DECISION AND ORDER

Accordingly, the Department's decision is REVERSED.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

Initiate a determination of the Petitioner's eligibility for Medical Assistance (MA) and Food Assistance Program (FAP) effective May 1, 2019.
