HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, 7 CFR 273.15, and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on December 4, 2019, from Lansing, Michigan. Petitioner, Patricia Longo, appeared and represented herself. Respondent, Department of Health and Human Services (Department), had Andrea Jones, Hearing Facilitator, appear as its representative. Neither party had any additional witnesses.

One exhibit was admitted into evidence during the hearing. An 11-page packet of documents provided by the Department was admitted collectively as the Department's Exhibit A.

ISSUE

Did the Department properly determine Petitioner's Food Assistance Program (FAP) benefit amount was \$16.00 per month effective October 1, 2019?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner is a FAP benefit recipient.
2. Petitioner has a household size of one. Petitioner receives \$1,195.00 per month from social security. Petitioner pays \$180.00 per week for housing. Petitioner pays for telephone service.

3. On September 10, 2019, the Department issued a notice of case action which notified Petitioner that she was eligible for a \$16.00 per month FAP benefit effective October 1, 2019.
4. On October 25, 2019, Petitioner filed a hearing request to dispute the Department's decision.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department determines a client's monthly FAP benefit amount by determining the client's group size and countable household income and then looking that information up in its applicable Food Issuance Table. BEM 212 (July 1, 2019), BEM 213 (January 1, 2019), BEM 550 (January 1, 2017), BEM 554 (April 1, 2019), BEM 556 (July 1, 2019), RFT 255 (October 1, 2018), and RFT 260 (October 1, 2018). Here, there is no evidence that the Department did not properly determine Petitioner's FAP benefit. Petitioner did not present any evidence to establish that her household income or allowable expenses were different than those used by the Department, and Petitioner did not present any evidence to establish that her group size was greater than that used by the Department. Based on a review of the budget used by the Department and the applicable Food Issuance Table, the Department used the correct standard deductions and correctly determined Petitioner's FAP benefit amount based on her countable household income and group size.

Petitioner testified that she provided medical receipts to the Department and the Department did not properly budget those medical receipts when it determined her FAP benefit amount. Although Petitioner was eligible to have her medical receipts budgeted, Petitioner did not present sufficient evidence to establish that she provided medical receipts to the Department, that the Department did not budget. Petitioner was unable to identify the last date she provided medical receipts and she did not provide copies of any medical receipts that she alleged the Department did not budget.

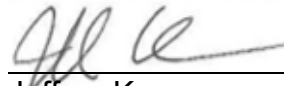

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did act

in accordance with its policies and the applicable law when it determined Petitioner's food assistance benefit amount.

IT IS ORDERED the Department's decision is **AFFIRMED**.
