HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on February 25, 2020, from Lansing, Michigan. The Department was represented by Maria Walters, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On a Redetermination (DHS-1010) form received by the Department on September 28, 2018, the Respondent acknowledged his duties and responsibilities including the duty to use Food Assistance Program (FAP) benefits in a manner consistent with the Food and Nutrition Act of 2008.

Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, 83-90.

2. Respondent reported to the Department that his birthday is [REDACTED] Exhibit A, p 84.
3. On November 6, 2018, Respondent intentionally published on social media under the username "[REDACTED]" that he had "Bought Me A Bridge Card!! Finally About To Get Back In The Kitchen & Make Home Cooked Vegan Meals." Exhibit A, p 11.
4. On September 10, 2018, Respondent published on social media under the username "[REDACTED]" that it was his birthday. Exhibit A, p 12.
5. Respondent was identified as the person using the username "[REDACTED]" by comparing self-published photographs of himself with a photograph on file with the Michigan Department of State. Exhibit A, pp 30-35.
6. The Department's OIG filed a hearing request on October 30, 2019, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 3.
7. On October 30, 2019, the Department sent the Respondent a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 7-8.
8. This was Respondent's first established IPV.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (October 1, 2017), pp 12-13.

When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the overissuance. Department of Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2018), p 1.

Federal regulations provide the following definition of intentional program violations:

Definition of intentional Program violation. Intentional Program violations shall consist of having intentionally:

(1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or

(2) Committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards. 7 CFR 273.16(c).

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

Trafficking includes the buying of FAP benefits. 7 CFR 271.2.

Respondent acknowledged his duties and responsibilities including the duty to use FAP benefits in a manner consistent with the Food and Nutrition Act of 2008 on a Redetermination (DHS-1010) form received by the Department on September 28, 2018. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.

On November 6, 2018, Respondent intentionally published on social media under the username "[REDACTED]" that he had "Bought Me A Bridge Card!! Finally About To Get Back In The Kitchen & Make Home Cooked Vegan Meals." Respondent was identified as the person using the username "[REDACTED]" from his date of birth, and by comparing self-published photographs of himself with a photograph on file with the Michigan Department of State.

Purchasing FAP benefits fits the definition of FAP trafficking and creates an overissuance in the amount of the benefits that were trafficked. In this case, the Department was unable to establish the amount of the benefits that were trafficked and is seeking disqualification only.

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Trafficking includes the buying, selling or stealing or otherwise effecting an exchange of FAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone. Trafficking also includes attempting to buy, sell, steal, or otherwise affect an exchange of FAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signatures, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone. BAM 700, p 2.

FAP trafficking is a fraudulent transfer of benefits that must be established by clear and convincing evidence and must never be presumed. Fraud may be established by circumstantial evidence and can be inferred from the evidence with facts which are inconsistent with an honest person. See *Foodland Distributors v Al-Naimi*, 220 Mich App 453 (1996), p 381.

This Administrative Law Judge finds that the Department established by clear and convincing evidence that the Respondent intentionally purchased FAP benefits in a manner other than authorized by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a, and that fits the Department's definition of benefit trafficking in Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (October 1, 2017), pp 1-22.

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as the disqualified person lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (January 1, 2018), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first established IPV violation.

The Department has established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
