HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, 7 CFR 273.15, and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on December 19, 2019, from Lansing, Michigan. Petitioner, [REDACTED] appeared and represented herself. Respondent, Department of Health and Human Services (Department), had Roshanda Ruffin, Success Coach, appear as its representative. Neither party had any additional witnesses.

One exhibit was admitted into evidence during the hearing. A 14-page packet of documents provided by the Department was admitted collectively as the Department's Exhibit A.

ISSUE

Did the Department properly decrease Petitioner's Food Assistance Program (FAP) benefit to \$390.00 effective December 1, 2019?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner is a FAP recipient.
2. Petitioner receives [REDACTED] per month from social security plus [REDACTED] per month for child support.
3. Petitioner pays \$479.00 per month for rent, and Petitioner is responsible for paying for heating/cooling utilities.

4. Petitioner had a household size of four. In May 2019, one individual moved out. Thereafter, Petitioner had a household size of three.
5. On October 30, 2019, Petitioner reported that her group size was only three because one individual moved out. The Department reviewed Petitioner's case and determined that the maximum FAP benefit Petitioner was eligible for was \$390.00 per month. The Department mailed a notice of case action to Petitioner to notify her that her FAP benefit was going to be decreased to \$390.00 per month effective December 1, 2019.
6. On November 18, 2019, Petitioner requested a hearing to dispute the Department's decision.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department determines a client's monthly FAP benefit amount by determining the client's group size and countable household income and then looking that information up in its applicable Food Issuance Table. BEM 212 (July 1, 2019), BEM 213 (January 1, 2019), BEM 550 (January 1, 2017), BEM 554 (October 1, 2019), BEM 556 (July 1, 2019), RFT 255 (October 1, 2019), and RFT 260 (October 1, 2019). Here, there is no evidence that the Department did not properly determine Petitioner's FAP benefit. Petitioner did not present any evidence to establish that her household income or allowable expenses were different than those used by the Department, and Petitioner did not present any evidence to establish that her group size was greater than that used by the Department. Based on a review of the budget used by the Department and the applicable Food Issuance Table, the Department used the correct standard deductions and correctly determined Petitioner's FAP benefit amount based on her countable household income and group size.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did act in accordance with its policies and the applicable law when it decreased Petitioner's

FAP benefit to \$390.00 effective December 1, 2019.

IT IS ORDERED the Department's decision is **AFFIRMED**.
