ISSUE

Did the Department of Health and Human Services (Department) properly deny Petitioner's application for cash assistance?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On September 26, 2019, the Michigan Office of Administrative Hearing System (MOAHR) ordered the Department to request verification of Petitioner's disability. Exhibit A, pp 5-10.
2. On October 4, 2019, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting that a Medical Needs – JET (DHS-54-E) be completed and returned by October 14, 2019. Exhibit A, pp 11-12.
3. On October 14, 2019, Petitioner notified the Department that he was still working on the verifications that were needed and that he may need help with the medical needs form. Exhibit A, p 24.

4. On November 8, 2019, the Department received Petitioner's completed Medical Needs – PATH (DHS-54-E). Exhibit A, pp 13-14.
5. On December 19, 2019, the Department notified Petitioner that he was not eligible for cash assistance as of August 1, 2019. Exhibit A, pp 18-22.
6. On December 17, 2019, the Department received Petitioner's request for a hearing protesting the denial of cash assistance. Exhibit A, pp 2-3.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of Human Services) administers FIP pursuant to 45 CFR 233-260, MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3101-.3131.

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Health and Human Services (formerly known as the Department of Human Services) administers the SDA program pursuant to 42 CFR 435, MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (October 1, 2019), p 9.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

The Department is required to tell a client what verification is required, how to obtain it, and the due date. The client must obtain required verification, but the local office must assist if they need and request help. BAM 130, p 3.

The Department will send a negative action notice when the client indicates refusal to provide a verification, or the time period given has elapsed and the client has not made a reasonable effort to provide it. BAM 130, p 7.

The Department initiated a determination of Petitioner's eligibility for cash assistance effective August 1, 2019, and requested that Petitioner provide a completed medical needs form by October 14, 2019. On October 14, 2019, Petitioner reported to the Department that he was still working on obtaining the required verifications, but that he needed help with the medical needs form. On December 19, 2019, the Department notified Petitioner that he was not eligible for cash assistance effective August 1, 2019, for failure to provide the Department with information necessary to determine his eligibility to receive benefits.

Based on the evidence and testimony available during the hearing, this Administrative Law Judge finds that Petitioner made a reasonable effort to provide the information required to make a determination of his eligibility for cash assistance.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when it denied cash assistance as of August 1, 2019.

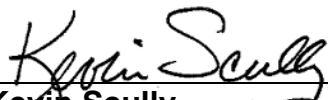

DECISION AND ORDER

Accordingly, the Department's decision is REVERSED.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Initiate a determination of Petitioner's eligibility for cash assistance as of August 1, 2019.
2. Provide Petitioner with written notice describing the Department's revised eligibility determination.
3. Issue Petitioner any retroactive benefits he may be eligible to receive, if any.
