ISSUE

Did the Department of Health and Human Services (Department) properly deny Petitioner's November 12, 2019, application for Medical Assistance (MA)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED], 2019, the Department received Petitioner's application for Medical Assistance (MA). Exhibit A, pp 14-23.
2. Petitioner receives Retirement, Survivors, and Disability Insurance (RSDI) benefits and is eligible for Medicare. Exhibit A, pp 14-23.
3. On November 19, 20109, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting verification of, among other things, verification of the balance of her bank accounts by December 2, 2019. Exhibit A, pp 12-13.
4. On December 11, 2019, the Department notified Petitioner that she was not eligible for Medical Assistance (MA) effective November 1, 2019. Exhibit A, pp 6-11.

5. On January 16, 2020, the Department received Petitioner's request for a hearing protesting the denial of her November 12, 2019, application for assistance. Exhibit A, pp 4-5.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Assets means cash, any other personal property and real property. Real property is land and objects affixed to the land such as buildings, trees and fences. Condominiums are real property. Personal property is any item subject to ownership that is not real property. Countable assets cannot exceed the applicable asset limit. An asset is countable if it meets the availability tests and is not excluded. Available means that someone in the asset group has the legal right to use or dispose of the asset. Department of Human Services Bridges Eligibility Manual (BEM) 400 (January 1, 2018), pp 1-7.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2019), p 9.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

On [REDACTED], 2019, the Department received Petitioner's application for MA benefits. Petitioner receives RSDI benefits based on disability, and she is eligible for Medicare.

Persons may qualify under more than one MA category. Federal law gives them the right to the most beneficial category. The most beneficial category is the one that results in eligibility or the least amount of excess income. Department of Health and Human Services Bridges Eligibility Manual (BEM) 105 (April 1, 2017), p 2.

The Healthy Michigan Plan provides health care coverage for individuals that do not qualify for or are not enrolled in Medicare. Department of Health and Human Services Bridges Eligibility Manual (BEM) 137 (January 1, 2020), p 1.

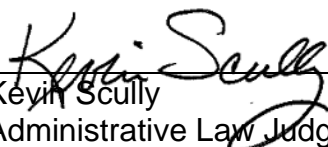

Petitioner is not eligible for full MA benefits under the HMP category, which has no asset limit. Therefore, the Department considered Petitioner under other categories of Medicaid. Those categories of Medicaid have a limit to the available assets on hand, and the Department requested verification of the cash assets available to Petitioner. When verification of those assets was not returned in a timely manner, the Department denied the November 10, 2019, application for assistance.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied Petitioner's [REDACTED], 2019, application for Medical Assistance (MA).

Accordingly, the Department's decision is AFFIRMED.
