HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on November 19, 2020. The Department was represented by Nicole Heinz-Hosking, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and Medical Assistance (MA) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On an application for assistance dated April 17, 2017, Respondent acknowledged her duties and responsibilities including the duty to report changes of employment and increases of earned income. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 10-21.

2. Respondent acknowledged under penalties of perjury that her April 17, 2017, application form was examined by or read to her, and, to the best of her knowledge, contained facts that were true and complete. Exhibit A, p 21.
3. Respondent reported on her [REDACTED], 2017, application for assistance that she was not employed. Exhibit A, p 16.
4. On April 18, 2017, the Department notified Respondent that she was approved for Food Assistance Program (FAP) benefits as a household of one [REDACTED] receiving any income. Exhibit A, pp 22-28.
5. Respondent failed to report that she started employment on August 18, 2017, and received earned income from September 25, 2017, through February 16, 2018. Exhibit A, pp 29-31.
6. Respondent received Food Assistance Program (FAP) benefits totaling \$960 from October 1, 2017, through February 28, 2018. Exhibit A, p 32.
7. Respondent received Medical Assistance (MA) with a value of \$606.02 from October 1, 2017, through November 30, 2017. Exhibit A, pp 45-57.
8. The Department's representative testified that the overissuance of Food Assistance Program (FAP) benefits has been established and no evidence that Respondent filed a timely hearing request protesting the amount of the Food Assistance Program (FAP) overissuance.
9. The Department's OIG filed a hearing request on [REDACTED] [REDACTED] [REDACTED] to establish that Respondent committed an Intentional Program Violation (IPV). Exhibit A, p 3.
10. On April 27, 2020, the Department sent Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$1,383.02 overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 6-7 and 48-49.
11. This was Respondent's first established IPV.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396 through 42 USC 1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10 through 42 CFR 420.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.103 through MCL 400.112k of the Social Welfare Act, MCL 400.1 *et seq.*

The Food Assistance Program (FAP) is funded under the federal Supplemental Nutrition Assistance Program (SNAP) established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 through 7 USC 2036a. It is implemented by the federal regulations contained in 7 CFR 273. The Department administers FAP pursuant to MCL 400.10 of the Social Welfare Act, MCL 400.1 *et seq.*, and Mich Admin Code, R 400.3001 through 400.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Administrative Manual (BAM) 720 (October 1, 2017), pp 12-13.

Overissuance

When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the overissuance. Department of Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2018), p 1.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. Changes that must be reported include changes of employment status and increases of earned income. Department of Health and Human Services Bridges Administrative Manual (BAM) 105 (July 1, 2020), p 12. The Department will act on a change reported by means other than a tape match within 15 workdays after becoming aware of the change, except that the Department will act on a change other than a tape match within 10 days of becoming aware of the change. Department of Health and Human Services Bridges Administrative Manual (BAM) 220 (July 1, 2020), p 7. A pended negative action occurs when a negative action requires timely notice based on the eligibility rules in this item. Timely notice means that the action taken by the department is effective at least 12 calendar days following the date of the department's action. BAM 220, p 12.

On an application for assistance dated April 17, 2017, Respondent acknowledged the duty to report changes of employment status and increases of earned income. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent reported on her April 17, 2017, application for assistance that she was not employed. On April 18, 2017, the Department notified Respondent that she was eligible for FAP benefits as a household of one not receiving any income.

Respondent failed to report that she started employment on August 18, 2017, and received earned income from September 25, 2017, through February 16, 2018. Respondent continued to receive FAP and MA benefits as if she was not receiving any income. Respondent received \$777 of FAP benefits and MA benefits with a value of \$606.02 that she was not eligible for. The Department established a \$1,383.02 debt caused by Respondent's failure to report her income in a timely manner, and no evidence that Respondent filed a timely hearing request protesting the establishment of that debt.

Intentional Program Violation

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1; see also 7 CFR 273.16(e)(6).

The Department has the burden of establishing by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be

uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. Id.

Respondent acknowledged the duties and responsibilities of receiving FAP and MA benefits on an application for assistance dated [REDACTED], 2017, including the duty to report changes of employment status and increases of earned income. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.

Respondent failed to report when she started employment but continued to receive FAP and MA benefits as a household of one not receiving any income. As a result of Respondent's failure to report changes to her circumstances, she received an overissuance of FAP and MA benefits. The Department has established the size of that overissuance and provided her with the opportunity to protest that debt.

This Administrative Law Judge finds that the Department has presented clear and convincing evidence that Respondent intentionally failed to report starting employment and receiving earned income for the purposes of maintaining her eligibility for FAP and MA benefits that she would not have been eligible for otherwise.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as the disqualified person lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (January 1, 2018), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first established IPV violation.

The Department has established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$777.

3. Respondent did receive an OI of Medical Assistance (MA) benefits in the amount of \$606.02.
4. The Department is ORDERED to initiate recoupment procedures for the amount of \$1,383.02 in accordance with Department policy.
5. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
