HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on February 17, 2021, from Detroit, Michigan. Petitioner is a minor child. Petitioner was represented by his father/Authorized Hearing Representative (AHR), [REDACTED] who was accompanied by Roudah Fateeh. The Department of Health and Human Services (Department) was represented by Juanita Munoz, Hearing Facilitator.

ISSUE

Did the Department properly terminate Petitioner's State Supplement SSI Payment (SSP) program benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was previously approved for Supplemental Security Income (SSI) through the federal Social Security Administration (SSA).
2. Petitioner was previously an ongoing recipient of SSP program benefits through the Department.
3. On August 21, 2020, the Department sent Petitioner a Notice of State SSI Payment to Change (Notice) advising him that his quarterly State SSI Payment has been canceled. The reason for the change was that the SSA notified the Department that Petitioner was no longer eligible for federal SSI benefits. The

Notice further advised Petitioner that the last State SSI Payment he will receive from the Department would be on September 15, 2020. (Exhibit A, pp. 8-9)

4. On October 27, 2020 Petitioner's AHR requested a hearing disputing the closure of Petitioner's SSP case. (Exhibit A, pp. 11-12)

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The State SSI Payments (SSP) program is established by 20 CFR 416.2001-.2099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.

SSI is a cash benefit to needy persons who are aged (at least 65), blind or disabled. It is a federal program administered by the Social Security Administration (SSA). States are allowed the option to supplement the federal benefit with state funds. In Michigan, SSI benefits include a basic federal benefit and an additional amount paid with state funds. The amount of the state benefit varies by living arrangement. BEM 660 (January 2017), p.1.

The Department issues SSP benefits to SSI recipients in the following living arrangements: Independent living or Household of another (Living in the household of another person and receiving partial or total support and maintenance in kind from that person). SSP payments are issued quarterly and payment levels are determined by RFT 248. BEM 660, pp.1-2; RFT 248 (January 2020), pp. 1-3. Payments are made for only those months the SSI recipient received a regular first of the month federal benefit. These are shown as a recurring payment dated the first of the month on the State Online Query (SOLQ). BEM 660, pp. 1-2. The DHS – 430, Notice of State SSI Payment Change is sent to each SSI recipient whose current quarterly SSP payment is less than the previous quarterly state SSP payment. The Notice gives recipients timely notice of any proposed benefit reduction, notifies recipients of their hearing rights, and notifies recipients of the date they will receive their next reduced quarterly check. BEM 660, p.3

Petitioner's AHR requested a hearing on Petitioner's behalf disputing the information in the August 21, 2020 Notice, and the Department's termination of his son's State SSI Payment. The Department testified that it received information from the SSA indicating that Petitioner is no longer eligible for SSI benefits and that Petitioner's SSI benefits have been terminated. During the hearing, the Department reviewed Petitioner's SOLQ and testified that it shows Petitioner's payment status is coded as T-31, Terminated, system generated termination. The SOLQ further shows that Petitioner's last recurring

payment dated the first of the month was July 1, 2020 and that no payment was made on August 1, 2020.

Petitioner's AHR did not dispute that Petitioner's SSI benefits have been terminated or that his son had not received SSI benefits since the summer of 2020. Petitioner's AHR confirmed that he received notification from SSA advising him of the termination of Petitioner's SSI benefits. Petitioner was informed that the undersigned Administrative Law Judge does not have the authority to address Petitioner's eligibility for federal SSI benefits. Petitioner was instructed to make contact with SSA in order to obtain additional information regarding the termination of Petitioner's federal SSI benefit.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that because Petitioner was no longer receiving SSI benefits, the Department acted in accordance with Department policy when it terminated Petitioner's SSP benefits.
