**ADMINISTRATIVE LAW JUDGE: Janice Spodarek**

**HEARING DECISION**

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on February 17, 2021.

Petitioner appeared and testified unrepresented. [REDACTED] appeared as a translator on behalf of Petitioner.

The Michigan Department of Health and Human Services (Department) was represented by Toni Jolman, Supervisor. Jason Forsythe, ES Worker, appeared as a witness.

Department Exhibit A.7 was offered and admitted into the record.

**ISSUE**

Did the Department properly close Petitioner's State Supplemental Program (SSP) case?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On or about November 16, 2020, the Department received information from a Social Security Administration (SSA) data exchange that Petitioner was no longer eligible for SSI payments.
2. On November 16, 2020, the Department issued a Notice of State SSI Payment Change informing Petitioner that her SSP payment case will close effective

December 14, 2020, on the grounds that the SSA notified the Department that Petitioner was no longer eligible for SSI.

3. On December 10, 2020, Petitioner filed a hearing request.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The State SSI Payments (SSP) program is established by 20 CFR 416.2001-.2099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10. Department policy is found primarily at BEM 660.

Specific applicable policy states in part:

Supplemental Security Income (SSI) is a cash benefit to needy persons who are aged (at least 65), blind or disabled. It is a federal program administered by the Social Security Administration (SSA). States are allowed the option to supplement the federal benefit with state funds. In Michigan SSI benefits include a basic federal benefit and an additional amount paid with state funds. The amount of the state benefit varies by living arrangement.

... Payments are made for only those months the recipient received a regular first of the month federal benefit. These are shown on SOLQ as a **recurring payment dated the first of the month. SSPs are not issued for retroactive or supplemental federal benefits. BEM 660, pages 1-2**

Individuals asserting eligibility for welfare benefits have the burden of proof by a preponderance of evidence. That burden falls on Petitioner in this case.

Here, Petitioner argues that she needs her SSI payments continued, and that she is eligible on the basis that she is a citizen.

The Department pointed out that Petitioner's SSI is issued by SSA, not the State of Michigan. The SSP program is a State of Michigan program paid as a supplement by the state to individuals who receive SSI. If an individual does not receive SSI, then there is no SSP payment. If an individual disputes the closure of their SSI case, then they must request an appeal with SSA, not the State of Michigan.

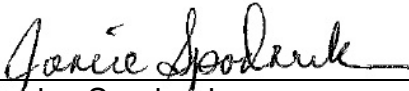

Here, Petitioner failed to meet her burden of proof to establish that she is eligible for SSP payments under any law or authority when she does not have an active SSI case based on the above cited authority.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's SSP case.

**DECISION AND ORDER**

Accordingly, the Department's decision is **AFFIRMED**.
