Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, 42 USC 601-619, 670-679c, and 1397-1397m-5; the Child Care and Development Block Grant of 1990, PL 101-508, 42 USC 9858 to 9858q; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193. The program is implemented by 45 CFR 98.1-99.33. The Department administers the program pursuant to MCL 400.10 and provides services to adults and children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001-.5020.

#### **ADOPTION SUBSIDIES**

Family Independence Program (FIP), State Disability Assistance (SDA), Refugee Cash Assistance Program (RCA), Child Development and Care (CDC) and Food Assistance Program (FAP)

An adoption subsidy is a payment to the adopting parent(s) of an adopted child who would remain in foster care without the subsidy incentive. There are two types of adoption subsidies:

Support Subsidy

• A support subsidy is a payment for ongoing care and support of the child. Bridges includes support subsidies as income.

Medical Subsidy

• A medical subsidy is a payment for medical expenses due to a physical, mental, or emotional condition of the child. Bridges excludes medical subsidies as income. They are reimbursements.

Do not include funds from these payments in liquid asset amounts entered in Bridges. They are excluded assets.

Note: Support Subsidy is excluded as income for Medicaid programs. BEM 503

# Child Support Income Past Three Months

• Use the average of child support payments received in the **past three calendar months** unless changes are expected. Include the current month if all payments expected for the month have been received. Do **not** include amounts that are unusual and not expected to continue. BEM 505

In this case, Petitioner received \$ in countable income in the month of application, from employment income, child support income and adoption subsidy. The income limit for the CDC for Petitioner's group size was \$2,715 per month. Petitioner was over the income limit and the denial of CDC was proper and correct and consistent with Department policy. RFT 270, BEM 205

Petitioner raised issues with regard to how her child support income was determined and questioned whether adoption subsidy payment should have been included in the income determination. The Department correctly used a 3-month average of the child support Petitioner received in determining \$128 per month child support income, lump sum irregular payments were not included. BEM 505 Adoption Subsidy was properly included in the income determination. BEM 503

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied Petitioner's CDC application due to excess income.
