ORDER DENYING REQUEST FOR REHEARING/RECONSIDERATION

This matter is before the undersigned Administrative Law Judge pursuant to the Request for Rehearing/Reconsideration by the Petitioner, ██████████ of the Hearing Decision issued by the assigned Administrative Law Judge (ALJ) at the conclusion of the hearing conducted on ██████████ 2022, and mailed on August 19, 2022, in the above-captioned matter.

The rehearing and reconsideration process is governed by the Michigan Administrative Code, Rule 792.11015, *et seq.*, and applicable policy provisions articulated in the Bridges Administrative Manual (BAM), specifically BAM 600, which provide that a rehearing or reconsideration must be filed in a timely manner consistent with the statutory requirements of the particular program that is the basis for the client's benefits application and **may** be granted so long as the reasons for which the request is made comply with the policy and statutory requirements. MCL 24.287 also provides for rehearing if the hearing record is inadequate for judicial review.

A rehearing is a full hearing which **may** be granted if either of the following applies:

- The original hearing record is inadequate for purposes of judicial review; or
- There is newly discovered evidence **that existed** at the time of the original hearing that could affect the outcome of the original hearing decision.

A reconsideration is a paper review of the facts, law or legal arguments and any newly discovered evidence that existed at the time of the hearing. It may be granted when the original hearing record is adequate for purposes of judicial review and a rehearing is not necessary, but one of the parties is able to demonstrate that the Administrative Law Judge failed to accurately address all the relevant issues raised in the hearing request. Reconsiderations **may** be granted if requested for one of the following reasons:

- Misapplication of manual policy or law in the hearing decision, which led to the wrong decision;
- Typographical errors, mathematical error, or other obvious errors in the hearing decision that affect the substantial rights of the petitioner; or

- Failure of the Administrative Law Judge to address other relevant issues in the hearing decision.

In the instant case, the ALJ issued a Hearing Decision in the above-captioned matter affirming the Department of Health and Human Services' decision.

In the September 8, 2022, Request for Rehearing/Reconsideration, the Petitioner argues that she wants to appeal her hearing held on [REDACTED] 2022 but fails to articulate any basis that would warrant the granting of a rehearing/reconsideration.

Accordingly, the Request for Rehearing/Reconsideration is DENIED.

IT IS SO ORDERED.
