Petitioner:

ADMINISTRATIVE LAW JUDGE: Zainab A. Baydoun

ORDER DENYING REQUEST FOR REHEARING AND/OR RECONSIDERATION

This matter is before the undersigned Administrative Law Judge (ALJ) pursuant to the March 3, 2023, request for rehearing and/or reconsideration, by Petitioner of the Hearing Decision issued by the undersigned at the conclusion of the hearing conducted on February 6, 2023, and mailed on February 9, 2023, in the above-captioned matter.

The rehearing and reconsideration process is governed by the Michigan Administrative Code, Rule 792.11015, et seq., and applicable policy provisions articulated in the Bridges Administrative Manual (BAM), specifically BAM 600, which provide that a rehearing or reconsideration must be filed in a timely manner consistent with the statutory requirements of the particular program that is the basis for the client's benefits application or services at issue and may be granted so long as the reasons for which the request is made comply with the policy and statutory requirements. MCL 24.287 also provides a statutory basis for a rehearing of an administrative hearing.

A rehearing is a full hearing which may be granted if either of the following applies:

- The original hearing record is inadequate for purposes of judicial review; or
- There is newly discovered evidence that existed at the time of the original hearing that could affect the outcome of the original hearing decision. [BAM 600 (March 2021), p. 44.]

A reconsideration is a paper review of the facts, law or legal arguments and any newly discovered evidence that existed at the time of the hearing. It may be granted when the original hearing record is adequate for purposes of judicial review and a rehearing is not necessary, but one of the parties is able to demonstrate that the Administrative Law Judge (ALJ) failed to accurately address all the relevant issues raised in the hearing request. BAM 600, pp. 44-45.

In this case, Petitioner requested a hearing disputing the Department of Health and Human Services' (Department) denial of her December 21, 2022, application for Food

Assistance Program (FAP) benefits on the basis that her income exceeded the income limit. The undersigned issued a Hearing Decision in the above captioned matter affirming the Department's actions, as sufficient evidence was presented that Petitioner's household had net income greater than the income limit based on her group size.

In Petitioner's request for rehearing and/or reconsideration, Petitioner presents similar arguments to those offered during the administrative hearing, again indicating that all she asked for was a Bridge card for for food for only a short time. However, upon review, the arguments identified in Petitioner's request for rehearing and/or reconsideration were already considered by the undersigned ALJ prior to the issuance of the Hearing Decision. No additional documentation was presented with Petitioner's request for rehearing and/or reconsideration.

Petitioner does not allege that the original hearing record is inadequate for judicial review or that there is newly discovered evidence (or evidence that could not have been discovered at the time of the hearing had a reasonable effort been made to do so). Therefore, Petitioner has failed to establish a basis for a rehearing.

Furthermore, a full review of Petitioner's request fails to demonstrate that the undersigned misapplied manual policy or law in the Hearing Decision; committed typographical, mathematical, or other obvious errors in the Hearing Decision that affected Petitioner's substantial rights; or failed to address other relevant issues in the Hearing Decision. Therefore, Petitioner has not established an adequate basis for reconsideration. Instead of articulating a basis for rehearing and/or reconsideration, Petitioner is generally challenging the Hearing Decision in an attempt to relitigate the hearing, as all arguments raised by Petitioner in her request were considered by the undersigned during the administrative hearing and referenced in the Hearing Decision. Mere disagreement with the Hearing Decision does not warrant a rehearing and/or reconsideration of this matter.

Accordingly, the request for rehearing and/or reconsideration is **DENIED** this matter is hereby **DISMISSED**.

IT IS SO ORDERED.
