**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

The Michigan Department of Health and Human Services (MDHHS or the Department) requested a hearing alleging that Respondent [REDACTED] [REDACTED] committed an intentional program violation (IPV). Pursuant to MDHHS' request and in accordance with MCL 400.9, 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and Mich Admin Code, R 400.3130 and R 400.3178, this matter is before the undersigned Administrative Law Judge. After due notice, a hearing was held via telephone conference on September 19, 2023.

Darren Bondy, Regulation Agent of the Office of Inspector General (OIG), represented MDHHS.

Respondent did not appear at the hearing, and it was held in Respondent's absence pursuant to 7 CFR 273.16(e)(4); Mich Admin Code, R 400.3130(5); or Mich Admin Code, R 400.3178(5).

**ISSUES**

1. Did MDHHS establish, by clear and convincing evidence, that Respondent committed an IPV concerning Food Assistance Program (FAP) benefits?
2. Should Respondent be disqualified from receiving benefits for FAP?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. From July 1, 2021 to March 31, 2022, Respondent received FAP benefits for a household size of one. (Exhibit A, pp. 87-89)
2. On February █ 2021, Respondent submitted an Assistance Application. Respondent's signature on the Assistance Application certified that he read and understood the rights and responsibilities. This would include timely reporting changes and ensuring that FAP benefits are not used by unauthorized persons and must only be used to purchase eligible food for the FAP household members. (Exhibit A, pp. 12-16 and 20-85)
3. On March █ 2021, an interview was completed with Respondent. The rights and responsibilities were explained to Respondent. (Exhibit A, pp. 17-19)
4. The Department confirmed that Respondent has been incarcerated since June █ 2021, initially at the █ █ █ until he was transferred to the Michigan Department of Corrections. (Exhibit A, pp. 4, 105-106, 121-126, and 128-130)
5. From March 16, 2022 to May 28, 2022, Respondent's EBT card was utilized for numerous transactions totaling \$█ (Exhibit A, pp. 95-97)
6. Between February 24, 2022 and March 19, 2022, inquiries were made regarding Respondent's FAP benefit account from his stepmother's phone number. (Exhibit A, pp. 4 and 127)
7. During an interview, Respondent's stepmother admitted to using Respondent's FAP benefits, at his request, to make purchases for a female he had been seeing prior to his incarceration. (Exhibit A, p. 5)
8. During an April █ 20203 interview, Respondent acknowledged giving his stepmother permission to use his FAP benefits. (Exhibit A, p. 5)
9. Respondent was aware of the responsibilities to timely report changes and to ensure that FAP benefits are not used by unauthorized persons and must only be used to purchase eligible food for the FAP household members. (Exhibit A, pp. 16 and 19-85)
10. Respondent did not have an apparent physical or mental impairment that would limit the ability to understand or fulfill the FAP responsibilities. (Exhibit A, pp. 14, 18, 86, and 91)
11. Respondent has no prior FAP IPV disqualifications. (Exhibit A, pp. 93-94)
12. On May 8, 2023, MDHHS' OIG filed a hearing request alleging that Respondent intentionally failed to report when he was incarcerated and as a result, Respondent is responsible for FAP benefits issued from July 1, 2021 to March 31, 2022 (fraud

period). OIG requested that Respondent be disqualified from receiving FAP benefits for a period of 12 months due to committing an IPV. (Exhibit A, pp. 1-130)

13. The Department is pursuing the unauthorized usage of Respondent's FAP benefits separately and intends to pursue recoupment of the FAP benefits as part of that case. (Regulation Agent Testimony)
14. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

### **CONCLUSIONS OF LAW**

MDHHS policies are contained in the MDHHS Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is funded under the federal Supplemental Nutrition Assistance Program (SNAP) established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 7 USC 2036a. It is implemented by the federal regulations contained in 7 CFR 273. MDHHS administers FAP pursuant to MCL 400.10 of the Social Welfare Act, MCL 400.1 *et seq.*, and Mich Admin Code, R 400.3001 to R 400.3031.

#### **Intentional Program Violation**

An IPV occurs when a recipient of MDHHS benefits intentionally made a false or misleading statement, or misrepresented, concealed, or withheld facts. 7 CFR 273.16(c)(1). Effective October 1, 2014, MDHHS's OIG requests IPV hearings for cases where (1) the total repayment amount sought from Respondent for all programs combined is \$500 or more or (2) the total repayment amount sought from Respondent for all programs combined is less than \$500 but the group has a previous IPV, the matter involves concurrent receipt of assistance, the IPV involves FAP trafficking, or the alleged fraud is committed by a state government employee. BAM 720 (October 1, 2017), p. 12-13.

To establish an IPV, MDHHS must present clear and convincing evidence that the household member committed, and intended to commit, the IPV. 7 CFR 273.16(e)(6); BAM 720, p. 1. Clear and convincing evidence is evidence sufficient to result in "a firm belief or conviction as to the truth of the precise facts in issue." *Smith v Anonymous Joint Enterprise*, 487 Mich 102, 114-115; 793 NW2d 533 (2010); see also M Civ JI 8.01. Evidence may be uncontroverted and yet not be clear and convincing; conversely, evidence may be clear and convincing despite the fact that it has been contradicted. *Smith* at 115. The clear and convincing standard is "the most demanding standard applied in civil cases." *In re Martin*, 450 Mich

In this case, MDHHS alleges that Respondent committed an IPV based on failing to report when he was incarcerated as a result, Respondent is responsible for FAP benefits issued from July 1, 2021 to March 31, 2022 (fraud period).

The Department has established that Respondent was aware of the responsibilities to timely report changes to the Department and to ensure that FAP benefits are not used by unauthorized persons and must only be used to purchase eligible food for the FAP household members. Households are required to report changes in residence and the resulting change in shelter costs. 7 CFR 273.12(a)(1)(i)(D)(iii). Department policy requires clients to report any change in circumstances that will affect eligibility or benefit amount within 10 days. BAM 105, (July 1, 2020), pp. 11-13. Further, food program benefits may only be used by the household, or other persons the household selects, to purchase eligible food for the household. 2 CFR 274.4(a).

Respondent's signature on the Assistance Application certified that he read and understood the rights and responsibilities. This would include timely reporting changes and ensuring that FAP benefits are not used by unauthorized persons and must only be used to purchase eligible food for the FAP household members. (Exhibit A, pp. 12-16 and 20-85). During the interview, the rights and responsibilities were explained to Respondent. (Exhibit A, pp. 17-19). Respondent did not have an apparent physical or mental impairment that would limit the ability to understand or fulfill the FAP responsibilities. ((Exhibit A, pp. 14, 18, 86, and 91).

The Department asserted that Respondent intentionally failed to report when he was incarcerated and as a result, Respondent is responsible for FAP benefits issued from July 1, 2021 to March 31, 2022 (fraud period). The Department confirmed that Respondent has been incarcerated since June [REDACTED] 2021, initially at the [REDACTED] [REDACTED] [REDACTED] until he was transferred to the Michigan Department of Corrections. (Exhibit A, pp. 4, 105-106, 121-126, and 128-130). There was no evidence that Respondent reported that he was incarcerated to the Department.

Further, from March 16, 2022 to May 28, 2022, Respondent's EBT card was utilized for numerous transactions totaling \$[REDACTED] (Exhibit A, pp. 95-97). Between February 24, 2022 and March 19, 2022, inquiries were made regarding Respondent's FAP benefit account from his stepmother's phone number. (Exhibit A, pp. 4 and 127). During an interview, Respondent's stepmother admitted to using Respondent's FAP benefits, at his request, to make purchases for a female he had been seeing prior to his incarceration. (Exhibit A, p. 5). During an April [REDACTED] 20203 interview, Respondent acknowledged giving his stepmother permission to use his FAP benefits. (Exhibit A, p. 5).

Respondent's failure to timely report the incarceration resulted in an OI of FAP benefits. Respondent was not eligible for FAP while he was incarcerated. Further, the food purchased while Respondent was incarcerated was not for Respondent's use. Therefore, MDHHS has presented clear and convincing evidence that Respondent committed an IPV.

### **IPV Disqualification**

An individual who is found pursuant to an IPV disqualification hearing to have committed a FAP IPV is disqualified from receiving benefits for the same program for 12 months for the first IPV, 24 months for the second IPV, and lifetime for the third IPV. 7 CFR 273.16(b)(1); BAM 720, p. 16. As discussed above, MDHHS has established by clear and convincing evidence that Respondent committed an IPV. Respondent has no prior FAP IPV disqualifications. (Exhibit A, pp. 93-94). Because this was Respondent's first IPV for FAP, Respondent is subject to a 12-month disqualification from receipt of FAP benefits.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. MDHHS has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent is subject to a 12-month disqualification from FAP.

**IT IS ORDERED** that Respondent be personally disqualified from FAP for a period of 12 months.
