### **HEARING DECISION**

On July 10, 2023, Petitioner, [REDACTED] requested a hearing to dispute a Medical Assistance (MA) denial. As a result, a hearing was scheduled to be held on September 27, 2023, pursuant to MCL 400.9; 42 CFR 431.200 to 431.250; and Mich Admin Code, R 792.11002. Petitioner appeared at the hearing and represented herself. Respondent, Department of Health and Human Services (Department), had Raven Douthard, Hearing Facilitator, appear as its representative. Neither party had any additional witnesses.

One exhibit was admitted into evidence during the hearing. A 21-page packet of documents provided by the Department was admitted collectively as the Department's Exhibit A.

### **ISSUE**

Did the Department properly deny Petitioner MA?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On June 10, 2023, Petitioner submitted a redetermination form to renew her eligibility for MA.
2. Petitioner reported on her redetermination that she files an individual income tax return and does not claim any dependents.

3. Petitioner reported on her redetermination that she works for [REDACTED] and Petitioner reported that she received gross pay of [REDACTED] every two weeks.
4. [REDACTED] pays Petitioner biweekly. [REDACTED] paid Petitioner the gross amount of [REDACTED] on June 8, 2023, and [REDACTED] paid Petitioner the gross amount of [REDACTED] on May 25, 2023.
5. The Department budgeted Petitioner's household income based on the information it obtained for Petitioner, and the Department determined that Petitioner's income exceeded the limit to be eligible for MA.
6. On June 21, 2023, the Department issued a notice of case action to notify Petitioner that she was ineligible for MA, effective August 1, 2023.
7. Petitioner requested a hearing to dispute the Department's decision.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Health care coverage for adults is available through various programs, including the Healthy Michigan Plan. In order for an individual to be eligible for health care coverage under the Healthy Michigan Plan, the individual must be age 19 to 64 and the individual's household income must not exceed 133% of the Federal Poverty Limit (FPL). BEM 137 (June 1, 2020), p. 1. However, a 5% disregard is available to make those individuals eligible who would otherwise not be eligible. BEM 500 (April 1, 2022), p. 5. The 5% disregard increases the income limit by an amount equal to 5% of the FPL for the group size. *Id.* at 5.

The household size is determined based on tax filer and tax dependent rules. BEM 211 (July 1, 2019), p. 1. For tax filers, the household size includes the tax filer, the tax filer's spouse, and all dependents claimed. *Id.* at 1-2. Here, Petitioner has a household size of one because Petitioner is single with no dependents.

The FPL for a household size of one in 2023 is \$14,580.00. 88 FR 3424 (January 19, 2023). Since the applicable FPL is \$14,580.00, 133% of the FPL is \$19,391.40, and

133% with a 5% disregard is \$20,120.40. Thus, the income limit for Petitioner to be eligible for health care coverage under the Healthy Michigan Plan is \$20,120.40 per year. Income eligibility is based on modified adjusted gross income (MAGI) for Healthy Michigan. BEM 137, p. 1 and 7 CFR 435.603. MAGI is defined as adjusted gross income increased by (1) excluded foreign income, (2) tax exempt interest, and (3) the amount of social security benefits excluded from gross income. 26 USC 36B(d)(2)(B). Adjusted gross income is that which is commonly used for Federal income taxes, and it is defined as gross income minus deductions for business expenses, losses on the sale or exchange of property, retirement contributions, and others. 26 USC 62.

The Department begins its income determination by examining a client's self-reported income. BEM 500 at 5. If the client's self-reported income is over the income limit, then the client is ineligible. *Id.* If the client's self-reported income is below the income limit, the Department compares the client's self-reported income to income obtained from trusted sources to determine if the two are compatible. *Id.* Income is compatible if the difference between the two is 10% or less. *Id.* If the two are compatible, then the Department uses the client's self-reported income. *Id.* If the two are not compatible and the income obtained from trusted sources is over the income limit, then the Department requires the client to provide proof of the self-reported income. *Id.* at p. 5-6.

Here, Petitioner self-reported that she received income of [REDACTED] every two weeks. Biweekly pay is annualized by multiplying it by 26. Thus, the annual amount of Petitioner's self-reported income equals [REDACTED]. Since Petitioner's self-reported income exceeded the applicable program limit of \$20,120.40, the Department properly found Petitioner ineligible for health care coverage under the Healthy Michigan Plan.

### **DECISION AND ORDER**

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did act in accordance with its policies and the applicable law when it found Petitioner ineligible for Medical Assistance.

IT IS ORDERED the Department's decision is **AFFIRMED**.
