HEARING DECISION
FOR INTENTIONAL PROGRAM VIOLATION (TRAFFICKING)

The Michigan Department of Health and Human Services (MDHHS or the Department) requested a hearing alleging that Respondent [REDACTED] committed an intentional program violation (IPV) by trafficking Food Assistance Program (FAP) benefits. Pursuant to MDHHS' request for hearing and MCL 400.9, 7 CFR 273.16 and 7 CFR 273.18, this matter is before the undersigned Administrative Law Judge. After due notice, a hearing was held via telephone conference on December 5, 2023.

Mark Mandreky, Regulation Agent of the Office of Inspector General (OIG), represented MDHHS.

Respondent did not appear at the hearing, and it was held in Respondent's absence pursuant to 7 CFR 273.16(e)(4).

ISSUES

1. Did MDHHS establish, by clear and convincing evidence, that Respondent committed an intentional program violation (IPV) by trafficking Food Assistance Program (FAP) benefits?
2. Should Respondent be disqualified from receiving FAP benefits?
3. Has MDHHS established a recipient claim against Respondent for \$ [REDACTED] based on FAP benefits trafficked by Respondent?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. In an Assistance Application Respondent submitted to MDHHS on July [REDACTED] 2018, MDHHS notified Respondent of the FAP usage responsibilities. This includes ensuring that FAP benefits are not used by unauthorized persons, must only be used to purchase eligible food for the FAP household members, and that buying or selling FAP benefits was prohibited. (Exhibit A, pp. 3 and 6-63)
2. During the fraud period, Respondent received FAP for a household of three, then four, then five individuals. (Exhibit A, pp. 3 and 64-66)
3. Between December 5, 2018 and October 21, 2021, Respondent's Electronic Benefit Transfer (EBT) card, was used for transactions at Sam's Club Membership using the membership of [REDACTED] [REDACTED] to purchase candy, snack foods, and other items commonly purchased for resale in a retail location setting. The transactions on Respondent's EBT card totaled \$[REDACTED] (Exhibit A, pp. 67-92 and 94-99)
4. Respondent reported a lost EBT card on May [REDACTED] 2020. (Exhibit A, p. 93)
5. On April 4, 2023, the Department interviewed Respondent, who admitted to trafficking her EBT card through [REDACTED] [REDACTED]. Respondent received \$0.50 on the dollar. (Exhibit A, p. 3)
6. On April [REDACTED] 2023, the Department interviewed [REDACTED] [REDACTED] who admitted to possessing and using EBT cards issued to recipients other than household members in his own home. (Exhibit A, p. 3)
7. Respondent did not have an apparent physical or mental impairment that would limit the ability to understand or fulfill the FAP usage responsibilities. (Exhibit A, pp. 3 and 100)
8. Respondent has no prior FAP IPV disqualifications. (Exhibit A, pp. 101-102)
9. On August 17, 2023, MDHHS' OIG filed a hearing request alleging that Respondent intentionally trafficked FAP benefits between December 5, 2018 and October 21, 2021 (fraud period). OIG requested that (i) Respondent repay MDHHS as a recipient claim the value of trafficked benefits totaling \$[REDACTED] and (ii) Respondent be disqualified from receiving FAP benefits for a period of 12 months due to committing an IPV by trafficking. (Exhibit A, pp. 1-106)
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

MDHHS policies are contained in the MDHHS Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is funded under the federal Supplemental Nutrition Assistance Program (SNAP) established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 7 USC 2036a. It is implemented by the federal regulations contained in 7 CFR 273. MDHHS administers FAP pursuant to MCL 400.10 of the Social Welfare Act, MCL 400.1 *et seq.*, and Mich Admin Code, R 400.3001 to R 400.3015.

Trafficking and IPV Disqualification

MDHHS alleges that Respondent committed an IPV by trafficking FAP benefits and requests that Respondent be disqualified from FAP eligibility. IPV is defined, in part, as having intentionally “committed any act that constitutes a violation of [FAP], [FAP federal] regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of [FAP] benefits or EBT [electronic benefit transfer] cards.” 7 CFR 273.16(c)(2) and (e)(6). Trafficking includes buying, selling, stealing, or otherwise effecting, or attempting to buy, sell, steal or otherwise effect, “an exchange of [FAP] benefits issued and accessed via [EBT] cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone” 7 CFR 271.2.

To establish an IPV by trafficking, MDHHS must present clear and convincing evidence that the household member committed, and intended to commit, the IPV. 7 CFR 273.16(e)(6); BAM 720, p. 1. Clear and convincing evidence is evidence sufficient to result in “a firm belief or conviction as to the truth of the precise facts in issue.” *Smith v Anonymous Joint Enterprise*, 487 Mich 102, 114-115; 793 NW2d 533 (2010); see also M Civ JI 8.01. The clear and convincing standard is “the most demanding standard applied in civil cases.” *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995).

In this case, MDHHS alleged that Respondent committed an IPV by trafficking FAP benefits.

In an Assistance Application Respondent submitted to MDHHS on July [REDACTED] 2018, MDHHS notified Respondent of the FAP usage responsibilities. This includes ensuring that FAP benefits are not used by unauthorized persons, must only be used to purchase eligible food for the FAP household members, and that buying or selling FAP benefits was prohibited. (Exhibit A, pp. 3 and 6-63). Respondent did not have an apparent physical or mental impairment that would limit the ability to understand or fulfill the FAP usage responsibilities. (Exhibit A, pp. 3 and 100).

Between December 5, 2018 and October 21, 2021, Respondent’s Electronic Benefit Transfer (EBT) card, was used for transactions at Sam’s Club Membership using the membership of [REDACTED] [REDACTED] to purchase candy, snack foods, and other items commonly purchased for resale in a retail location setting. The transactions on Respondent’s EBT card totaled \$[REDACTED] (Exhibit A, pp. 67-92 and 94-99). On April [REDACTED]

2023, the Department interviewed Respondent, who admitted to trafficking her EBT card through Braile [REDACTED] Respondent received \$0.50 on the dollar. (Exhibit A, p. 3).

Under the facts presented, MDHHS has established by clear and convincing evidence that Respondent trafficked FAP benefits. Thus, Respondent did commit an IPV. An individual who is found to have committed an IPV by a hearing decision is disqualified from receiving program benefits. 7 CFR 273.16(b). Because Respondent had no prior FAP IPV violations, Respondent is subject to a 12-month disqualification from the FAP program. 7 CFR 273.16(b)(BAM 720, p. 16). (Exhibit A, pp. 101-102).

Repayment

A party is responsible for a recipient claim to MDHHS in an amount equal to the value of trafficked benefits. 7 CFR 273.18(a)(ii). The value of the trafficked benefits is determined by (i) the individual's admission; (ii) adjudication; or (iii) the documentation that forms the basis for the trafficking determination. 7CFR 273.18(c)(2). Documentation used to establish the trafficking determination can include an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store, which can be established through circumstantial evidence. BAM 720, p. 8.

Here, MDHHS seeks repayment from Respondent of \$ [REDACTED] the amount of Respondent's FAP benefits involved in the trafficked FAP benefits.

As noted above, between December 5, 2018 and October 21, 2021, Respondent's EBT card, was used for transactions at Sam's Club Membership using the membership of Abdallah Jawad, to purchase candy, snack foods, and other items commonly purchased for resale in a retail location setting. The transactions on Respondent's EBT card totaled \$ [REDACTED] (Exhibit A, pp. 67-92 and 94-99). On April 4, 2023, the Department interviewed Respondent, who admitted to trafficking her EBT card through [REDACTED] [REDACTED]. Respondent received \$0.50 on the dollar. (Exhibit A, p. 3).

The evidence presented by MDHHS was sufficient to establish a valid recipient claim for \$ [REDACTED]

DECISION AND ORDER

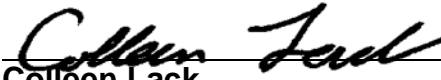

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. Because MDHHS has established by clear and convincing evidence that Respondent committed an IPV, Respondent is subject to a FAP disqualification.
2. Respondent is responsible to MDHHS for a recipient claim of \$ [REDACTED] for trafficked IPV benefits.

IT IS ORDERED that MDHHS initiate recoupment and/or collection procedures in accordance with MDHHS policy for a FAP recipient claim in the amount of \$ [REDACTED] less any amounts already recouped/collected, for the fraud period.

IT IS FURTHER ORDERED that Respondent be personally disqualified from FAP for a period of 12 months.
