Petitioner: ██████████

**ADMINISTRATIVE LAW JUDGE: Ellen McLemore**

### **HEARING DECISION**

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on November 8, 2023, via conference line. Petitioner was present with his niece, ██████████. The Department of Health and Human Services (Department) was represented by Ryan Kennedy, Hearing Facilitator.

### **ISSUE**

Did the Department properly Petitioner's and Petitioner's wife's Medical Assistance (MA) eligibility?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner and his wife were ongoing recipients under the Group 2 SSI-related (G2S) MA program.
2. In July 2023, Petitioner submitted an application for cash assistance, which resulted in an update and redetermination of his and his wife's MA benefit cases.
3. Petitioner had unearned income in the form of Retirement, Survivors and Disability Insurance (RSDI) benefits in the gross monthly amount of \$██████████.

4. Petitioner's wife had unearned income in the form of RSDI benefits in the gross monthly amount of \$[REDACTED].
5. On September 6, 2023, the Department sent Petitioner a Health Care Coverage Determination Notice (HCCDN) informing him that he and his wife were eligible for MA benefits subject to a monthly deductible of \$[REDACTED] effective October 1, 2023, ongoing (Exhibit A, pp. 7-9).
6. On September 22, 2023, Petitioner submitted a request for hearing disputing the Department's actions.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner and his wife were ongoing MA recipients under the G2S category. On [REDACTED], 2023, Petitioner submitted an application for cash assistance, which resulted in an update and redetermination related to his and his wife's MA benefit cases. The Department determined Petitioner and his wife were eligible for MA benefits subject to a monthly deductible of \$[REDACTED].

As disabled and/or aged individuals, Petitioner and his wife are potentially eligible to receive MA benefits through AD-Care. Ad-Care is an SSI-related full-coverage MA program. BEM 163 (July 2017), p. 1. It was not disputed that Petitioner's wife receives \$[REDACTED] per month in RSDI benefits and Petitioner receives \$[REDACTED] in RSDI benefits. The total household income is \$[REDACTED]. As Petitioner and his wife are married, per policy, their fiscal group size for SSI-related MA benefits is two. BEM 211 (January 2016), p. 8. The Department gives AD-Care budget credits for employment income, guardianship and/or conservator expenses and cost of living adjustments (COLA) (for January through March only). Petitioner did not allege any such factors were applicable. Income eligibility for AD-Care exists when countable income does not exceed the income limit for the program. BEM 163 (July 2017), p. 2. The income limit for AD-Care for a two-person MA group is \$1,663.50. RFT 242 (April 2023), p. 1. Because Petitioner's and Petitioner's wife's monthly household income exceeds \$1,663.50, the Department

properly determined Petitioner and his wife to be ineligible for MA benefits under AD-Care.

Petitioner and his wife may still receive MA benefits subject to a monthly deductible through a Group 2 Medicaid category. Petitioner is not the caretaker of any minor children, and therefore, does not qualify for MA through the Group 2-Caretaker MA program.

Petitioner and his wife may still receive MA benefits subject to a monthly deductible through the G2S program. G2S is an SSI-related MA category. BEM 166 (April 2017), p.1. As stated above, Petitioner's and his wife's SSI-related MA group size is two. Petitioner's net income is \$██████ (Petitioner's and Petitioner's wife's gross RSDI reduced by a \$20 disregard). BEM 541 (April 2017), p. 3. The deductible is in the amount that the client's net income (less any allowable needs deductions) exceeds the applicable Group 2 MA protected income levels (PIL); the PIL is based on the client's MA fiscal group size and the county in which he resides. BEM 105, p. 1; BEM 166 (April 2017), pp. 1-2; BEM 544 (July 2016), p. 1; RFT 240 (December 2013), p. 1; RFT 200 (April 2017), p. 2. The monthly PIL for a client in Petitioner and his wife's position, with an MA fiscal group size of two living in ████████ County, is \$541 per month. RFT 200, p. 3; RFT 240, p 1. Thus, if Petitioner's and Petitioner's wife's monthly net income (less allowable needs deductions) is in excess of \$541, they are eligible for MA assistance under the deductible program, with the deductible equal to the amount that their monthly net income, less allowable deductions, exceeds \$541. BEM 545 (January 2017), pp. 2-3. The Department presented an SSI-related MA budget showing the calculation of Petitioner and his wife's deductible (Exhibit A, p. 6).

In determining the monthly deductible, net income is reduced by health insurance premiums paid by the MA group and remedial service allowances for individuals in adult foster care or homes for the aged. BEM 544, pp. 1-3. In this case, there was no evidence that Petitioner or his wife reside in an adult foster care home or home for the aged. Therefore, they are not eligible for any remedial service allowances. There was evidence that Petitioner and his wife were paying their Medicare Part B premium of \$164.90. Petitioner and his wife's net income of \$██████ reduced by the \$541 PIL and the \$329.80 total insurance premiums is \$██████. Therefore, the Department properly determined that Petitioner and his wife are eligible for MA benefits under the G2S program subject to a monthly deductible of \$██████.

**DECISION AND ORDER**

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined Petitioner and his wife's MA eligibility. Accordingly, the Department's decision is **AFFIRMED**.
