Petitioner: [REDACTED]

ADMINISTRATIVE LAW JUDGE: Linda Jordan

HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a hearing was held on December 18, 2023, via teleconference. Petitioner appeared and represented himself. Caitlin Dodge, Family Independence Manager, appeared on behalf of the Michigan Department of Health and Human Services (MDHHS or Department).

ISSUE

Did MDHHS properly determine Petitioner's eligibility for Medicaid (MA)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing recipient of MA coverage.
2. On July 20, 2023, Petitioner submitted a Redetermination for MA (Exhibit A, p. 10).
3. On September 11, 2023, MDHHS sent Petitioner a Health Care Coverage Determination Notice indicating that he was approved for the Medicare Savings Program (MSP) in the Additional Low-Income Medicare Beneficiaries (ALMB) category, effective October 1, 2023 ongoing (Exhibit A, p. 5).

4. On October 3, 2023, MDHHS sent Petitioner a Health Care Coverage Determination Notice indicating that he was approved Plan First MA, a limited coverage category, and MA with a monthly deductible of \$1,174.00 (Exhibit A, p. 7).
5. On October 13, 2023, Petitioner filed a Request for Hearing to dispute MDHHS' determination regarding his MA coverage (Exhibit A, pp. 3-5).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

Medicaid (MA) is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. MDHHS administers MA pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k. MA is also known as Medical Assistance. BEM 105 (January 2021), p. 1.

In this case, MDHHS determined that Petitioner was eligible for Plan First MA, a limited MA coverage category, and MA under the Group 2 Aged, Blind, Disabled (G2S) category with a monthly deductible of \$1,174.00, effective November 1, 2023 ongoing (Exhibit A, p. 25). Petitioner was previously receiving Ad-Care MA, which is a full-coverage MA category with no deductible (Exhibit A, p. 25).

MA includes several sub-programs or categories. BEM 105, p. 1. To receive MA under a Supplemental Security Income (SSI)-related category, the person must be aged (65 or older), blind, disabled, entitled to Medicare or formerly blind or disabled. *Id.* MA eligibility for children under 19, parents or caretakers of children, pregnant or recently pregnant women, former foster children, MOMS, MICHild, Flint Water Group and Health Michigan Plan (HMP) is based on Modified Adjusted Gross Income (MAGI) methodology. *Id.* The terms Group 1 and Group 2 relate to financial eligibility factors. *Id.* For Group 1, net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. *Id.* The income limit, which varies by category, is for nonmedical needs such as food and shelter. *Id.* Medical expenses are not used when determining eligibility for MAGI-related and SSI-related Group 1 categories. *Id.* For Group 2, eligibility is possible even when net income exceeds the income limit. *Id.* This is because incurred medical expenses are used when determining eligibility for Group 2 categories. *Id.* Group 2 categories are considered a limited benefit because a deductible is possible. *Id.*

G2S MA is an SSI-related MA category available to a person who is aged (65 or older), blind, or disabled. BEM 166 (April 2017), p. 1. Income eligibility exists when net income does not exceed the Group 2 needs in BEM 544. *Id.* If net income exceeds the Group 2 needs, MA eligibility is still possible with a deductible. *Id.* Plan First MA is a MAGI-related limited coverage MA category, that covers services related to family planning and reproductive health. To be eligible for Plan First, a person must meet all non-financial eligibility factors and their income cannot exceed 195% of the Federal Poverty Level (FPL). BEM 124 (July 2023), p. 1. Persons may qualify under more than one MA category. *Id.*, p. 2. Federal law gives them the right to the most beneficial category. *Id.* The most beneficial category is the one that results in eligibility, the least amount of excess income or the lowest cost share. *Id.*

To evaluate Petitioner's eligibility for MA, MDHHS must determine Petitioner's MA fiscal group size, net income and assets. MDHHS determines fiscal and asset groups separately for each person requesting MA. BEM 211 (July 2019), p. 5. Here, MDHHS determined that Petitioner was eligible for an SSI-related MA category based on his disability status, age, and receipt of Retirement, Survivors, and Disability Insurance (RSDI). MDHHS introduced an SSI-related MA budget, which showed that it budgeted Petitioner's unearned income as \$1,602.00 based on his monthly RSDI payment (Exhibit A, p. 26). Petitioner did not dispute this amount. MDHHS further testified that it subtracted the \$20.00 disregard, to bring Petitioner's countable net income to \$1,582.00. BEM 541 (January 2023), p. 3. There was no evidence of other SSI-related MA income deductions.

Based on Petitioner's circumstances, he was potentially eligible for Ad-Care MA. The Ad-Care program is a Group 1, full-coverage SSI-related MA program for disabled individuals who are income-eligible based on their MA fiscal group size. BEM 163 (July 2017), p. 1. However, net income for this program cannot exceed 100% of the Federal Poverty Level (FPL). *Id.* To be income eligible for this program, Petitioner's income would have had to be \$1,235.00 or less for a fiscal group-size of one. RFT 242 (April 2023), p. 1. Petitioner's income exceeded this amount and therefore, he was not eligible for Ad-Care MA.

MDHHS alleged that Petitioner was eligible for G2S MA, which is an SSI-related Group 2 MA category. BEM 166, p. 1. MDHHS considers eligibility under this category only when eligibility does not exist under BEM 155 through 164, 170 or 171. *Id.* Income eligibility exists for G2S MA when net income does not exceed the Group 2 needs in BEM 544. *Id.*, p. 2. If the net income exceeds Group 2 needs, MA eligibility is still possible with a deductible, per BEM 545. *Id.* The deductible is equal to the individual's net income, calculated in accordance with the applicable Group 2 MA policy, minus the applicable Group 2 MA protected income level (PIL). The PIL is a set allowance for non-medical need items such as shelter, food and incidental expenses that is based on the county in which the client resides and the client's fiscal MA group size. BEM 544 (January 2020), p. 1. The PIL for ██████████ County, where Petitioner resides, for his one-person MA group, was \$408.00 during the applicable time period. RFT 200 (April 2017), p. 2; RFT 240 (December 2013), p. 1.

In determining the monthly deductible, net income is reduced by health insurance premiums paid by the MA group and remedial service allowances for individuals in adult foster care or homes for the aged. BEM 544, pp. 1-3. In this case, no evidence was presented that Petitioner resided in an adult foster care home or home for the aged. Therefore, he was not eligible for any remedial service allowances. MDHHS presented evidence that Petitioner was receiving MSP ALMB coverage, which pays his Medicare Part B premiums when funding is available (Exhibit A, p. 5). BEM 165 (October 2022), p. 2. No evidence was presented that Petitioner was responsible for paying his Medicare Part B premium due to the unavailability of funding.

Because there were no other deductions, Petitioner's countable income was \$1,582.00. Subtracting the PIL of \$408.00 equals \$1,174.00. Therefore, MDHHS properly determined that Petitioner was eligible for G2S MA with a monthly deductible of \$1,174.00. Additionally, Petitioner was eligible for Plan First MA, because his annual income of \$19,224.00 was less than 195% of FPL, or \$28,431.00. See ASPE, Poverty Guidelines, available at <https://aspe.hhs.gov/topics/poverty-economic-mobility/poverty-guidelines> (last accessed December 15, 2023).

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that MDHHS acted in accordance with Department policy when it determined Petitioner's MA eligibility.

DECISION AND ORDER

Accordingly, MDHHS' decision is **AFFIRMED**.
