2. On October [REDACTED] 2023, Petitioner submitted paycheck stubs. (Exhibit A, pp. 10-11)

3. On October ■ 2023, a Health Care Coverage Determination Notice was issued to Petitioner stating MA would close effective December 1, 2023 based on income in excess of program limits. (Exhibit A, pp. 6-9)
4. On November 3, 2023, Petitioner filed a hearing request contesting the Department's determination. (Exhibit A, pp. 3-4)

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The Department considers the gross wages when determining eligibility for MA. BEM 501, July 1, 2022, p. 7.

The Medicaid program comprise several sub-programs or categories. In general, the terms Group 1 and Group 2 relate to financial eligibility factors. For Group 1, net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. The income limit, which varies by category, is for nonmedical needs such as food and shelter. Medical expenses are not used when determining eligibility for MAGI-related and SSI-related Group 1 categories. For Group 2, eligibility is possible even when net income exceeds the income limit. This is because incurred medical expenses are used when determining eligibility for Group 2 categories. Group 2 categories are considered a limited benefit as a deductible is possible. BEM 105, October 1, 2023, p. 1.

Petitioner was only potentially eligible for the Healthy Michigan Plan (MA-HMP) program. For example, based on the information reported on the Redetermination, Petitioner was not under age 19, aged, blind, disabled, pregnant, or a parent or caretaker relative a dependent child. (Exhibit A, pp. 12-25)

Healthy Michigan Plan (MA-HMP) is based on Modified Adjusted Gross Income (MAGI) methodology. The MA-HMP provides health care coverage for individuals who: are 19-64 years of age; do not qualify for or are not enrolled in Medicare; do not qualify for or are not enrolled in other Medicaid programs; are not pregnant at the time of application; meet Michigan residency requirements; meet Medicaid citizenship requirements; and

have income at or below 133 percent Federal Poverty Level (FPL). BEM 137, June 1, 2020, p. 1.

Medicaid eligibility is determined on a calendar month basis. Unless policy specifies otherwise, circumstances that existed, or are expected to exist, during the calendar month being tested are used to determine eligibility for that month. When determining eligibility for a future month, assume circumstances as of the processing date will continue unchanged unless you have information that indicates otherwise. BEM 105, October 1, 2023, p. 2. This is consistent with 42 CFR § 435.603(h), which states that financial eligibility for Medicaid for applicants must be based on current monthly household income and family size.

The 2023 FPL for the 48 contiguous states and the District of Columbia for a group size of one is an annual income of \$14,580.00. Accordingly, 133% of FPL is \$19,391.40 for a group size of one. Divided by 12, this would equate to \$1,615.95 per month.

In this case, the Department utilized the check stubs, as well as the information provided on the Redetermination, to determine Petitioner's eligibility for MA. (Exhibit A, pp. 10-25). The Department determined that Petitioner's projected annual income for MA would be right around \$30,000.00 to \$35,000.00. (Assistance Payments Specialist Testimony). Accordingly, on October █████ 2023, a Health Care Coverage Determination Notice was issued to Petitioner stating MA would close effective December 1, 2023 based on income in excess of program limits. (Exhibit A, pp. 6-9). The Department noted that the November █████ 2023 paycheck stub submitted on December █████ 2023, shows year to date earnings of \$██████████ (Exhibit B, p. 1)

Petitioner testified that she has a lot of medical needs and preexisting conditions. Petitioner described her conditions and symptoms. Petitioner has had to cancel appointments since she has been without insurance. Petitioner also described her financial circumstances. (Petitioner Testimony).

The Department properly determined Petitioner's eligibility for MA based on her current income at that time as verified by the check stubs and as indicated on the Redetermination. Accordingly, the denial of MA must be upheld.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined Petitioner's eligibility for MA based on her income at the time of the determination.
