HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on January 25, 2024, from Lansing, Michigan. Petitioner represented himself. The Department was represented by Lianne Scupholm.

ISSUE

Did the Department of Health and Human Services (Department) properly close Petitioner's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing recipient of Medical Assistance (MA) benefits on July [REDACTED] 2023, when the Department sent him a Redetermination (DHS-1010) form with an August 4, 2023, due date. Exhibit A, p 5.
2. On September [REDACTED] 2023, the Department notified Petitioner that he was not eligible for Medical Assistance (MA) as of October 1, 2023. Exhibit A, p 15.
3. On November 27, 2023, the Department received Petitioner's request for a hearing protesting the closure of his Medical Assistance (MA) benefits. Exhibit A, pp 2-3.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396 through 42 USC 1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10 through 42 CFR 420.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.103 through MCL 400.112k of the Social Welfare Act, MCL 400.1 *et seq.*

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (October 1, 2023), p 9.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (October 1, 2023), pp 1-10.

Reinstatement restores a closed program to active status without completion of a new application. Closed programs may be reinstated for complying with program requirements before the negative action date. Department of Health and Human Services Bridges Administrative Manual (BAM) 205 (July 1, 2023), p 1.

Petitioner was an ongoing recipient of MA benefits on July █ 2023, when the Department initiated a routine review of his eligibility for ongoing benefits by sending him a Redetermination form with an August 4, 2023, due date. When the Department did not receive the completed Redetermination form, it notified Petitioner that he was not eligible for MA benefits as of October 1, 2023.

Petitioner testified that the Department has not considered the changes to his circumstances that affect his eligibility for MA benefits. Petitioner testified that he submitted the requested information in October of 2023.

Petitioner's MA benefits were closed due to his failure to provide the Department with information necessary to accurately determine his eligibility to receive benefits. Petitioner

testified that he provided the Department with verification of his circumstances but failed to offer evidence that he provided the Department with sufficient documentation to accurately determine his eligibility for ongoing MA benefits. Further, if Petitioner had submitted additional information in October, reinstatement would not have been appropriate as directed by BAM 205 because his benefits had already closed.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's Medical Assistance (MA) benefits effective October 1, 2023.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
