- 2. Petitioner's husband received monthly Retirement, Survivors, and Disability Insurance (RSDI) in the gross monthly amount of **Sector** in December of 2023. Exhibit A,
- 3. Petitioner receives monthly Retirement, Survivors, and Disability Insurance (RSDI) in the gross monthly amount of **Sector** beginning December of 2023. Exhibit A, p 13.
- 4. Petitioner's husband testified that Petitioner has not been employed since 2021.

6. On January 31, 2024, the Department received Petitioner's request for a hearing protesting the level of Medical Assistance (MA) that she is receiving. Exhibit A, p 3.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396 through 42 USC 1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10 through 42 CFR 420.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.103 through MCL 400.112k of the Social Welfare Act, MCL 400.1 *et seq.*

Persons may qualify under more than one MA category. Federal law gives them the right to the most beneficial category. The most beneficial category is the one that results in eligibility or the least amount of excess income. Department of Health and Human Services Bridges Eligibility Manual (BEM) 105 (January 1, 2024), p 2.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. Changes that must be reported include starting or stopping employment or a change in work hours of more than five hours per week that is expected to continue for more than one month. Department of Human Services Bridges Assistance Manual (BAM) 105 (October 1, 2023), p 10.

Freedom To Work (FTW) is a category of MA available to a client with disabilities age 16 through 64 who has earned income and is employed. A client may have temporary breaks in employment up to 24 months if the break is the result of an involuntary layoff or is determined to be medically necessary and retain FTW eligibility. Department of Health and Human Services Bridges Eligibility Manual (BEM) 174 (January 1, 2020).

Petitioner's husband testified that Petitioner stopped working due to the COVID-19 pandemic and the death of a close family member. No evidence was presented on the record that Petitioner has been employed for at least 24 months. No evidence was presented on the record that Petitioner reported in a timely manner that she was being temporarily laid off from her employment. The hearing record does not support a finding that Petitioner is eligible for the FTW category of MA because she is not employed.

The AD-CARE program is a category of Medical Assistance (MA) that provides health care coverage to individuals who are aged or disabled and have an income that does not

exceed the federal poverty level. Department of Health and Human Services Bridges Eligibility Manual (BEM) 163 (July 1, 2017), p 1.

Petitioner is not eligible for MA under the AD-CARE category because her income exceeds the federal poverty level.

The Department will determine the fiscal and asset groups separately for each person requesting Medicaid. The fiscal group must be determined separately for each person. In determining a person's eligibility, the only income that may be considered is the person's own income and the income of the individual's spouse and the individual's parent if the individual is a child. Department of Health and Human Services Bridges Eligibility Manual (BEM) 211 (October 1, 2023), p 8.

The hearing record supports a finding that Petitioner is married and lives with her husband. Therefore, the Department considered Petitioner's eligibility for MA as a household of two including herself and her husband.

It is not in dispute that Petitioner is considered to be disabled. A review of Petitioner's case reveals that the Department budgeted correct amount of income received by the Petitioner. Petitioner's "protected income level" is \$500, and this amount cannot be changed either by the Department or by this Administrative Law Judge. Department of Human Services Reference Table Manual (RFT) 240 (December 1, 2013), p 1. Department's determination that the Petitioner has a **Secure** deductible per month she must meet in order to qualify for MA for any medical expenses above is therefore correct.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined Petitioner's eligibility for Medical Assistance (MA) and placed her in the most beneficial category that she is eligible for.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
