**ADMINISTRATIVE LAW JUDGE: Zainab A. Baydoun**

### **HEARING DECISION**

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on March 21, 2024, from Detroit, Michigan. Petitioner appeared for the hearing and represented himself. The Department of Health and Human Services (Department) was represented by Sunshine Simonson, Eligibility Specialist.

### **ISSUE**

Did the Department properly close Petitioner's Medical Assistance (MA) case?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing recipient of MA benefits under the Healthy Michigan Plan.
2. Under the Families First Coronavirus Response Act (FFCRA), PL 116-127, Michigan received additional federal MA funding during the COVID-19 pandemic health emergency (PHE).
3. As a condition for receiving the increased funding, § 6008 of the FFCRA required that the Department provide continuous MA coverage for individuals who were enrolled in MA on or after March 18, 2020, even if those individuals became ineligible for MA for reasons other than death, residing outside of Michigan, or requesting that MA be discontinued.

4. The MA continuous coverage requirement under § 6008 of the FFCRA was not indefinite.
5. The Consolidated Appropriations Act, 2023 (CAA, 2023), PL 117-328, terminated the continuous coverage requirement effective March 31, 2023.
6. Beginning April 1, 2023, the CAA, 2023 required the Department to reevaluate almost all MA recipients' eligibility for ongoing MA.
7. On or around November 4, 2023, the Department sent Petitioner a redetermination/renewal for his MA case that was to be completed and returned by December 4, 2023. (Exhibit A, pp. 9-17)
8. The redetermination was mailed to Petitioner's confirmed mailing address.
9. The Department asserted that Petitioner failed to complete and return the redetermination/renewal for his MA case.
10. On or around January 19, 2024, the Department sent Petitioner a Health Care Coverage Determination Notice advising him that effective February 1, 2024, his MA case would be closed because he failed to return the redetermination. (Exhibit A, pp. 21-23)
11. On or around January 31, 2024, Petitioner requested a hearing disputing the closure of his MA case.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner was previously approved for MA under Healthy Michigan Plan (HMP), which is a full coverage Modified Adjusted Gross Income (MAGI) based MA programs. BEM 105 (October 2023), p.1; BEM 137 (June 2020), p. 1.

Starting April 1, 2023, ongoing MA eligibility must be renewed. For MA beneficiaries whose MA eligibility is based on their Modified Adjusted Gross Income (MAGI)-based income, MA must be renewed once every 12 months and no more frequently than once every 12 months. 42 CFR 435.916(a)(1). For MA beneficiaries whose MA eligibility is not based on their MAGI-based income, MA eligibility must be redetermined at least every 12 months. 42 CFR 435.916(b). Any renewal form or notice must be accessible to persons who are limited English proficient and persons with disabilities. 42 CFR 435.916(f)(2).

In conducting this renewal or redetermination, MDHHS must check available information and data sources to attempt to redetermine eligibility before contacting the beneficiaries. 42 CFR 435.916(a)(2) and (b), 435.948, and 435.949. Before concluding that an individual is ineligible for MA, MDHHS must evaluate the individual's eligibility for MA on all bases for MA coverage, including the Medicare Savings Programs. 42 CFR 435.916(f)(1).

Under 42 CFR 435.916(a)(2) and (b), and consistent with §§ 435.948, 435.949, and 435.956, as well as BAM 800 (April 2022), pp. 2-5, MDHHS can renew MA eligibility using electronic resources/databases available to it. If information provided to MDHHS by or on behalf of an MA applicant or recipient is reasonably compatible with information obtained by MDHHS through electronic data exchange services, MDHHS must determine or renew eligibility based on such information. 42 CFR 435.952(b); BAM 210 (October 2022), p. 1.

If the individual is not eligible for MA based on information retrieved from electronic database services or other reliable sources or if information needed by MDHHS to determine eligibility cannot be obtained electronically or if the information obtained electronically is not reasonably compatible with information provided by or on behalf of the individual, then MDHHS may not deny or terminate eligibility or reduce benefits for the individual unless it first seeks additional information from the individual. 42 CFR 435.952(c) and (d). MDHHS may request from the Medicaid applicant or recipient only information that has changed or is missing. BAM 210, p. 2. Medicaid recipients who are eligible based on MAGI methodologies must have a minimum of 30 days to return their pre-populated renewal form and any requested information. Non-MAGI Medicaid recipients must be provided with a reasonable period of time to return their renewal form and any required documentation. Renewal forms and notices must be accessible to persons who have limited English proficiency (LEP) and persons with disabilities. 42 CFR 435.905(b).

MDHHS must notify MA recipients of the basis of an eligibility determination and notify them that they must inform the state if any of the information used to determine their eligibility is not accurate. 42 CFR 916(a)(2). If MAGI-based MA is terminated at renewal for failure to return the renewal form or other needed and requested documentation, MDHHS must reconsider the individual's eligibility without requiring a new application if the renewal form and/or requested information is returned within 90 days after the date of termination. 42 CFR 435.916(a)(3)(iii) and (b).

Additionally, policy provides that the Department must periodically redetermine or renew an individual's eligibility for active programs. The redetermination/renewal process includes a thorough review of all eligibility factors. Redetermination, renewal, semi-annual and mid-certification forms are often used to redetermine eligibility of active programs. For MA cases, a redetermination is an eligibility review based on a reported change. A renewal is the full review of eligibility factors completed annually. The renewal month is 12 months from the date the most recent complete application was submitted. BAM 210 (October 2023), pp. 1-4. For MA cases, benefits stop at the end of the benefit period unless a renewal is completed, requested verifications are received and a new benefit period is certified. BAM 210, pp. 3-5. The Department will provide the client with timely notice of the negative action if the time limit is not met. BAM 210, p. 14. The Department will send a DHS-1606, Health Care Coverage Determination Notice, which details the information used to determine eligibility. BAM 210, p. 19-20.

At the hearing, the Department representative testified that Petitioner's MA eligibility was due for review. The Department testified that because Petitioner failed to submit a completed redetermination/renewal form by the December 4, 2023, deadline, the Department was unable to review his continued MA eligibility and initiated the closure of his case by sending the Health Care Coverage Determination Notice on January 19, 2024, advising him of the MA case closure effective February 1, 2024. Petitioner testified that he did not receive the redetermination which is why he did not complete and return the form to the Department. Petitioner testified that he was not aware of the redetermination until he received the notice advising him of the case closure and in response, Petitioner requested a hearing. Upon review, the redetermination was mailed to Petitioner's confirmed mailing address and Petitioner confirmed receiving the Health Care Coverage Determination Notice. There was no evidence that Petitioner was having problems with receiving mail and no evidence that the redetermination was returned to the Department as undeliverable.

Because Petitioner failed to timely complete and return the redetermination form to the Department, the Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's MA case. Petitioner was informed that he is entitled to submit a new application for MA benefits and his current eligibility will be reviewed.
