The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner is a tax filer and a household of five people.
2. On February █ 2024, a member of Petitioner’s household received a paycheck showing earned income in the gross amount of \$████████ earned from January 7, 2024, through January 27, 2024. Exhibit A, p 12.
3. Another member of Petitioner’s household received two paychecks in the gross bi-weekly amounts of \$████████ and \$████████. Exhibit A, pp 16-17.
4. Another member of Petitioner’s household received earned income in the gross bi-weekly amounts of \$█████. Exhibit A, p 20.
5. On March 1, 2024, the Department notified Petitioner that limited coverage under the Plan First category would be available to four of Petitioner’s family members. Exhibit A, pp 21-25.

6. On March 27, 2024, the Department received Petitioner's request for a hearing. Exhibit A, pp 3-6.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396 through 42 USC 1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10 through 42 CFR 420.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.103 through MCL 400.112k of the Social Welfare Act, MCL 400.1 *et seq.*

The income limit to participate in the Healthy Michigan Plan (HMP) is 133% of the federal poverty level. Department of Health and Human Services Reference Table Manual (RFT) 246 (April 1, 2014), p 1.

MAGI for purposes of Medicaid eligibility is a methodology which state agencies and the federally facilitated marketplace (FFM) must use to determine financial eligibility. It is based on Internal Revenue Service (IRS) rules and relies on federal tax information to determine adjusted gross income. It eliminates asset tests and special deductions or disregards. Every individual is evaluated for eligibility based on MAGI rules. The MAGI rules are aligned with the income rules that will be applied for determination of eligibility for premium tax credits and cost-sharing reductions through exchanges. Department of Health and Human Services Bridges Eligibility Manual (BEM) 500 (January 1, 2016), pp 3-4.

Modified adjusted gross income (MAGI) is a methodology for how income is counted and how household composition and family size are determined. It is based on federal tax rules for determining adjusted gross income. It eliminates asset tests and special deductions or disregards. Every individual is evaluated for eligibility based on MAGI rules. The MAGI rules are aligned with the income rules that will be applied for determination of eligibility for premium tax credits and cost-sharing reductions through exchanges. The 5% disregard is the amount equal to 5% of the Federal Poverty Level for the applicable family size. It is not a flat 5% disregard from the income. The 5% disregard shall be applied to the highest income threshold. The 5% disregard shall be applied only if required to make someone eligible for Medicaid.¹

¹ Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual, pp 14-15. This manual is available on the internet at http://www.michigan.gov/documents/mdch/MAGI_Manual_457706_7.pdf

Household income is the sum of the MAGI-based income of every individual included in the individual's household, minus an amount equivalent to 5 percentage points of the Federal poverty level for the applicable family size. 42 CFR 435.603.

The household for a tax filer, who is not claimed as a tax dependent, consists of the individual, the individual's spouse, and any tax dependents. The household for an individual who is a tax dependent of someone else consists of the household of the tax filer claiming the individual as a tax dependent. BEM 211.

Petitioner is a household of five for the purposes of her and her family's eligibility for MA benefits. The hearing record supports a finding that Petitioner's household income exceeds \$ [REDACTED] which is 133% of the federal poverty level in 2024, and the 5% disregard does not make her eligible for MA benefits under the Healthy Michigan Plan. Therefore, Petitioner and her husband are not eligible for HMP benefits.

Two of Petitioner's children are over the age of 18 and are not eligible for MA benefits as children and are not eligible for HMP benefits based on household income.

One of Petitioner's children is 18 years of age and is eligible for MA because household income is under 212% of the federal poverty level.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined Petitioner's eligibility for Medical Assistance (MA).

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
