ORDER DENYING REQUEST FOR REHEARING AND/OR RECONSIDERATION

This matter is before the undersigned Administrative Law Judge (ALJ) pursuant to the request for rehearing and/or reconsideration by Petitioner of the Hearing Decision issued by the undersigned at the conclusion of the hearing conducted on January 12, 2023, and mailed on January 13, 2023, in the above-captioned matter.

The rehearing and reconsideration process is governed by the Michigan Administrative Code, Rule 792.11015, *et seq.*, and applicable policy provisions articulated in the Bridges Administrative Manual (BAM), specifically BAM 600, which provide that a rehearing or reconsideration must be filed in a timely manner consistent with the statutory requirements of the particular program that is the basis for the client's benefits application or services at issue and may be granted so long as the reasons for which the request is made comply with the policy and statutory requirements. MCL 24.287 also provides a statutory basis for a rehearing of an administrative hearing.

A rehearing is a full hearing which may be granted if either of the following applies:

- The original hearing record is inadequate for purposes of judicial review; or
- There is newly discovered evidence that existed at the time of the original hearing that could affect the outcome of the original hearing decision. BAM 600 (October 2018), p. 44.

A reconsideration is a paper review of the facts, law or legal arguments and any newly discovered evidence that existed at the time of the hearing. It may be granted when the original hearing record is adequate for purposes of judicial review and a rehearing is not necessary, but one of the parties is able to demonstrate that the Administrative Law Judge failed to accurately address all the relevant issues raised in the hearing request. BAM 600, p. 44. Reconsiderations may be granted if requested for one of the following reasons:

- Misapplication of manual policy or law in the hearing decision, which led to the wrong decision;

- Typographical errors, mathematical error, or other obvious errors in the hearing decision that affect the substantial rights of the petitioner; or
- Failure of the Administrative Law Judge to address other relevant issues in the hearing decision. BAM 600, p. 45.

A request for reconsideration which presents the same issues previously ruled on, either expressly or by reasonable implication, shall not be granted. Mich Admin Code, R 792.10135.

In the instant case, the undersigned issued a Hearing Decision in the above-captioned matter finding that the Department acted in accordance with Department policy when it determined Petitioner's Food Assistance Program (FAP) group included Petitioner, her husband and her children. It was also found that the Department acted in accordance with policy when it denied her FAP application. In Petitioner's request, Petitioner argues that she does not live at the address of her husband with her children.

Petitioner does not allege that the original hearing record is inadequate for judicial review or that there is newly discovered evidence (or evidence that could not have been discovered at the time of the hearing had a reasonable effort been made to do so). Therefore, Petitioner has failed to establish a basis for a rehearing.

Furthermore, a full review of Petitioner's request fails to demonstrate that the undersigned ALJ misapplied manual policy or law in the Hearing Decision; committed typographical, mathematical, or other obvious errors in the Hearing Decision that affected Petitioner's substantial rights; or failed to address other relevant issues in the Hearing Decision. Therefore, Petitioner has not established a basis for reconsideration. Instead of articulating a basis for rehearing and/or reconsideration, Petitioner is generally challenging the Hearing Decision in an attempt to relitigate the hearing. Mere disagreement with the Hearing Decision does not warrant a rehearing and/or reconsideration of this matter.

Accordingly, the request for rehearing and/or reconsideration is **DENIED**.

IT IS SO ORDERED.
