8. On March 15, 2023, a Provider for Petitioner registered with the CHAMPS system and was approved. (Exhibit A; Testimony.)

CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

Home Help Services (HHS) are provided to enable functionally limited individuals to live independently and receive care in the least restrictive, preferred settings. These activities must be certified by a physician and may be provided by individuals or by private or public agencies.

Adult Services Manual (ASM) 135, addresses Home Help Caregivers:

Caregiver Interview

...

- The caregiver must be enrolled in the Community Health Automated Medicaid Processing System (CHAMPS) and undergo a criminal history screen. **The screening must be completed and passed before a provider can be paid to provide Home Help services.**

...

Caregiver Enrollment

All caregivers of Home Help must enroll in the Community Health Automated Medicaid Processing System (CHAMPS) and be approved prior to authorizing payment. During the enrollment process, individuals will be screened for criminal history. Once a caregiver is approved, CHAMPS will assign the caregiver a seven-digit provider identification number. ASW must allow 24 hours from the completion of enrollment in CHAMPS for the data to interface with MiAIMS.

In this case, the Department presented evidence and policy indicating the start date of services and payment should be the date the provider was enrolled in CHAMPS. The Department further indicated that this did not occur until March 15, 2023.

The Petitioner did not dispute the facts and acknowledged someone from the family failed to follow through on the initial request for services and CHAMPS registration. The Petitioner went on to ask for some mercy from the court to permit a retroactive start date in the absence of a provider being enrolled in CHAMPS.

My role is to determine whether the Department's actions were in conformity with the applicable laws and policies. I cannot make any changes to the policy or make special exceptions to the policy. Consequently, the evidence reflects the Department acted appropriately in selecting March 15, 2023, as the start date of services as this was the earliest date that a provider was registered with CHAMPS.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, finds that the Department properly determined the effective start date of Petitioner's HHS case.

IT IS THEREFORE ORDERED THAT:

The Department's decision is **AFFIRMED**.
