Date Mailed: October 17, 2023
MOAHR Docket No.: 23-002638
Agency No.: 100739927
Petitioner: OIG
Respondent: [REDACTED] [REDACTED]

ADMINISTRATIVE LAW JUDGE: Colleen Lack

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

The Michigan Department of Health and Human Services (MDHHS or the Department) requested a hearing alleging that Respondent [REDACTED] [REDACTED] committed an intentional program violation (IPV). Pursuant to MDHHS' request and in accordance with MCL 400.9, 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and Mich Admin Code, R 400.3130 and R 400.3178, this matter is before the undersigned Administrative Law Judge. After due notice, a hearing was held via telephone conference on September 19, 2023.

Darren Bondy, Regulation Agent of the Office of Inspector General (OIG), represented MDHHS.

Respondent did not appear at the hearing, and it was held in Respondent's absence pursuant to 7 CFR 273.16(e)(4); Mich Admin Code, R 400.3130(5); or Mich Admin Code, R 400.3178(5).

ISSUES

1. Did MDHHS establish, by clear and convincing evidence, that Respondent committed an IPV concerning Food Assistance Program (FAP) benefits?
2. Should Respondent be disqualified from receiving benefits for FAP?
3. Did Respondent receive an overissuance (OI) of FAP benefits that MDHHS is entitled to recoup and/or collect as a recipient claim?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Respondent submitted an assistance application on December █ 2022. Respondent reported her phone number as █. (Exhibit A, pp. 12-17)
2. Respondent submitted an assistance application on August █ 2022. Respondent reported her phone number as █. (Exhibit A, pp. 18-24)
3. During an August █ 2020 interview the rights and responsibilities were explained to Respondent. (Exhibit A, pp. 25-26)
4. █ (DRC) was a FAP recipient who received benefits for a household size of one. (Exhibit A, pp. 31-33)
5. DRC passed away on March █ 2022. (Exhibit A, p. 76)
6. From March 21, 2022 to March 30, 2022 DRC's FAP benefits were utilized for multiple transactions totaling \$█ (Exhibit A, pp. 41-44 and 73)
7. Between March 20, 2022 and March 29, 2022, Respondent's phone number was used to call about DRC's electronic benefit transfer (EBT) card numerous times. (Exhibit A, pp. 4 and 70-71)
8. During an interview, Respondent acknowledged that she utilized DRC's EBT card to purchase food after his death. (Exhibit A, p. 4; Regulation Agent Testimony)
9. Respondent does not have an apparent physical or mental impairment that would limit the understanding or ability to comply with the rights and responsibilities as a FAP recipient. (Exhibit A, p. 27; Regulation Agent Testimony)
10. Respondent has no prior FAP IPV disqualifications. (Exhibit A, pp. 39-40)
11. On May 11, 2023, MDHHS' OIG filed a hearing request alleging that Respondent intentionally used FAP benefits of a deceased client from March 21, 2022 through March 31, 2022 (fraud period), which Respondent was ineligible to use. OIG requested that (i) Respondent repay \$█ to MDHHS for FAP benefits that Respondent was ineligible to use and (ii) Respondent be disqualified from receiving FAP benefits for a period of 12 months due to committing an IPV. (Exhibit A, pp. 1-76)
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

MDHHS policies are contained in the MDHHS Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is funded under the federal Supplemental Nutrition Assistance Program (SNAP) established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 7 USC 2036a. It is implemented by the federal regulations contained in 7 CFR 273. MDHHS administers FAP pursuant to MCL 400.10 of the Social Welfare Act, MCL 400.1 *et seq.*, and Mich Admin Code, R 400.3001 to R 400.3031.

Intentional Program Violation

An IPV occurs when a recipient of MDHHS benefits intentionally made a false or misleading statement, or misrepresented, concealed, or withheld facts. 7 CFR 273.16(c)(1). Effective October 1, 2014, MDHHS's OIG requests IPV hearings for cases where (1) the total repayment amount sought from Respondent for all programs combined is \$500 or more or (2) the total repayment amount sought from Respondent for all programs combined is less than \$500 but the group has a previous IPV, the matter involves concurrent receipt of assistance, the IPV involves FAP trafficking, or the alleged fraud is committed by a state government employee. BAM 720 (October 1, 2017), p. 12-13.

To establish an IPV, MDHHS must present clear and convincing evidence that the household member committed, and intended to commit, the IPV. 7 CFR 273.16(e)(6); BAM 720, p. 1. Clear and convincing evidence is evidence sufficient to result in "a firm belief or conviction as to the truth of the precise facts in issue." *Smith v Anonymous Joint Enterprise*, 487 Mich 102, 114-115; 793 NW2d 533 (2010); see also M Civ JI 8.01. Evidence may be uncontroverted and yet not be clear and convincing; conversely, evidence may be clear and convincing despite the fact that it has been contradicted. *Smith* at 115. The clear and convincing standard is "the most demanding standard applied in civil cases." *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995). For an IPV based on inaccurate reporting, MDHHS policy also requires that the individual have been clearly and correctly instructed regarding the reporting responsibilities and have no apparent physical or mental impairment that limits the ability to understanding or fulfill these reporting responsibilities. BAM 720, p. 1.

In this case, MDHHS alleges that Respondent committed an IPV by intentionally using FAP benefits of a deceased client from March 21, 2022 through March 31, 2022 (fraud period), which Respondent was ineligible to use.

The Department has established that Respondent was aware of the rights and responsibilities as a FAP recipient, including not using or attempting to use FAP benefits or Bridge cards that belong to another household. Food program benefits may only be

used by the household, or other persons the household selects, to purchase eligible food for the household. 2 CFR 274.4(a). During an August 3, 2020 interview the rights and responsibilities were explained to Respondent. (Exhibit A, pp. 25-26). Respondent does not have an apparent physical or mental impairment that would limit the understanding or ability to comply with his rights and responsibilities as a FAP recipient. (Exhibit A, p. 27; Regulation Agent Testimony).

DRC was a FAP recipient who received benefits for a household size of one. (Exhibit A, pp. 31-33). DRC passed away on March [REDACTED] 2022. (Exhibit A, p. 76). From March 19, 2022 to March 30, 2022 DRC's FAP benefits were utilized for multiple transactions totaling \$[REDACTED] (Exhibit A, pp. 41-44 and 73). Any purchases made after DRC's death were clearly not for DRC's use.

Respondent submitted assistance applications on August [REDACTED] 2022 and December [REDACTED] 2022. Respondent reported her phone number as [REDACTED]. (Exhibit A, pp. 12-24). Between March 20, 2022 and March 29, 2022, Respondent's phone number was used to call about DRC's EBT card numerous times. (Exhibit A, pp. 4 and 70-71). Additionally, during an interview, Respondent acknowledged that she utilized DRC's EBT card to purchase food after his death. (Exhibit A, p. 4; Regulation Agent Testimony).

Overall, there is sufficient evidence to find that Respondent utilized DRC's FAP benefits after DRC passed away. Therefore, MDHHS has presented clear and convincing evidence that Respondent committed an IPV.

IPV Disqualification

An individual who is found pursuant to an IPV disqualification hearing to have committed a FAP IPV is disqualified from receiving benefits for the same program for 12 months for the first IPV, 24 months for the second IPV, and lifetime for the third IPV. 7 CFR 273.16(b)(1); BAM 720, p. 16. As discussed above, MDHHS has established by clear and convincing evidence that Respondent committed an IPV. Respondent has no prior FAP IPV disqualifications. (Exhibit A, pp. 39-40). Because this was Respondent's first IPV for FAP, Respondent is subject to a 12-month disqualification from receipt of FAP benefits.

Overissuance

When a client group receives more benefits than entitled to receive, MDHHS must attempt to recoup the OI as a recipient claim. 7 CFR 273.18(a)(2); BAM 700, (October 1, 2018), p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. 7 CFR 273.18(c)(1); BAM 720, p. 8; BAM 715 (October 1, 2017), p. 6; BAM 705 (October 1, 2018), p. 6.

In this case, MDHHS alleged that Respondent was overissued FAP benefits totaling \$[REDACTED] during the fraud period. From March 21, 2022 to March 30, 2022 DRC's FAP benefits were utilized for multiple transactions totaling \$[REDACTED] (Exhibit A, pp. 41-44 and

73). There is sufficient evidence to find that Respondent utilized DRC's FAP benefits after DRC passed away.

Therefore, MDHHS is entitled to repayment from Respondent of \$[REDACTED] in overissued FAP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. MDHHS has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent is subject to a 12-month disqualification from FAP.
3. Respondent did receive an OI of FAP benefits in the amount of \$[REDACTED]

IT IS ORDERED that MDHHS initiate recoupment and/or collection procedures in accordance with MDHHS policy for a FAP OI in the amount of \$[REDACTED] less any amounts already recouped/collected for the fraud period.

IT IS FURTHER ORDERED that Respondent be personally disqualified from FAP for a period of 12 months.
