HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130, and R 400.3178. After due notice, a telephone hearing was held on October 24, 2023, from Lansing, Michigan. Respondent did not appear at the hearing, and it was held in Respondent’s absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?

1. On an application for assistance dated December [REDACTED] 2020, Respondent acknowledged his duties and responsibilities including the duty to report changes of employment status and increases of earned income. CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) is funded under the federal Supplemental Nutrition Assistance Program (SNAP) established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 through 7 USC 2036a. It is implemented by the federal regulations contained in 7 CFR 273. The Department administers FAP pursuant to MCL 400.10 of the Social Welfare Act, MCL 400.1 *et seq*, and Mich Admin Code, R 400.3001 through 400.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual BAM 720 (October 1, 2017), pp 12-13.

Overissuance

An “overissuance” is an amount owed because of benefits that are overpaid, which the Department must establish and collect. 7 CFR 273.18(a). When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the overissuance. Department of Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2018), p 1.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. Changes that must be reported include changes of employment status and increases of earned income. Department of Health and Human Services Bridges Administrative Manual (BAM) 105 (October 1, 2023), p 12. The Department will act on a change reported by means other than a tape match within 15 workdays after becoming aware of the change, except that the Department will act on a change other than a tape match within 10 days of becoming aware of the change. Department of Health and Human Services Bridges Administrative Manual (BAM) 220 (October 1, 2023), p 7. A pended negative action occurs when a negative action requires timely notice based on the eligibility rules in this item. Timely notice means that the action taken by the department is effective at least 12 calendar days following the date of the department's action. BAM 220, p 12.

On an application for assistance dated December █ 2020, Respondent acknowledged the duty to report changes of employment status and increases of earned income. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent reported that his daughter was employed and that his wife was receiving self-employment income.

Respondent failed to report that he was employed and receiving earned income from May █ 2021, through December █ 2021. Respondent was receiving weekly paychecks of approximately \$█ per week of gross earned income. The gross monthly income limit for a household of three was \$2,353 at that time. Department of Health and Human Services Reference Table Manual (RFT) 250 (October 1, 2019), p 1. If Respondent had reported his earned income from employment in a timely manner, the Department would have closed his FAP benefits by the first benefit period after June 8, 2021. Respondent was not eligible for any of the \$█ of FAP benefits that he received from July 1, 2021, through November 30, 2021. Therefore, Respondent received a \$█ overissuance of FAP benefits.

Intentional Program Violation

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing, or preventing reduction of program benefits or eligibility. BAM 720, p. 1; see also 7 CFR 273.16(e)(6).

The Department has the burden of establishing by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct, and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Respondent acknowledged the duties and responsibilities of receiving FAP benefits on an application for assistance dated December █ 2020. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. It is the Department's practice to provide pamphlet material to eligible FAP recipients advising them of their duty to report starting employment and increases of earned income. The hearing record supports a finding that Respondent was provided with notice that he was required to report when his employment resumed, and he began receiving earned income from that employment.

This Administrative Law Judge finds that the Department has presented clear and convincing evidence that Respondent intentionally withheld reporting the earned income from employment that he was receiving for the purposes of maintaining his eligibility for FAP benefits that he would not have been eligible for otherwise.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group if the disqualified person lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Department of Health and Human Services Bridges Administrative Manual (BAM) BAM 710 (January 1, 2018), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first established IPV violation.

The Department has established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV).
2. Respondent did receive an overissuance of Food Assistance Program (FAP) benefits in the amount of \$[REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$[REDACTED] in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
