CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The Medicaid program comprise several sub-programs or categories. To receive MA under an SSI-related category, the person must be aged (65 or older), blind, disabled, entitled to Medicare or formerly blind or disabled. BEM 105, October 1, 2023, p. 1.

In general, the terms Group 1 and Group 2 relate to financial eligibility factors. For Group 1, net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. The income limit, which varies by category, is for nonmedical needs such as food and shelter. Medical expenses are not used when determining eligibility for MAGI-related and SSI-related Group 1 categories. For Group 2, eligibility is possible even when net income exceeds the income limit. This is because incurred medical expenses are used when determining eligibility for Group 2 categories. Group 2 categories are considered a limited benefit as a deductible is possible. BEM 105, October 1, 2023, p. 1.

The Department counts the gross benefit amount of Social Security Administration (SSA) issued RSDI benefits as unearned income when determining eligibility. BEM 503, January 1, 2023, p. 29.

The Department utilizes a Protected Income Level (PIL) in determining MA eligibility. The PIL is a set allowance for non-medical need items such as shelter, food and incidental expenses. BEM 544, January 1, 2020, p. 1. Washtenaw County is part of Shelter Area VI, which has a PIL of \$408.00 for a group size of one. RFT 200, April 1, 2017, p. 3 and RFT 240, December 1, 2013, p. 1.

For SSI related adults, the only deductions allowed to countable income are for court-ordered child support, blind/impairment related work expenses, allocation to non-SSI related children, a \$20.00 disregard, an earned income disregard of \$65.00 plus ½ of the remaining earnings, and Guardianship/Conservator expenses. BEM 541, January 1, 2023, pp. 1-7.

Income eligibility exists for all or part of the month tested when there is no excess income or the medical group's allowable medical expenses equal or exceed the fiscal group's excess income. BEM 545, (July 1, 2022), p. 1-3.

Deductible is a process which allows a client with excess income to become eligible for Group 2 MA if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group's monthly excess income is called a deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month tested. BEM 545, (July 1, 2022), p. 10-12.

RFT 242 addresses the income limits for aged or disabled MA (MA-AD). Effective April 1, 2023, for a group size of one the income limit for MA-AD including the \$20.00 disregard is \$1,235.00. RFT 242, April 1, 2023, p. 1.

In this case, the Department determined that Petitioner was eligible for Medicaid with a monthly deductible of \$[REDACTED] effective November 1, 2023. (Exhibit A, p. 12). Petitioner receives RSDI issued benefits in the amount of \$[REDACTED] monthly. (Exhibit A, p. 12). After the \$20.00 disregard and PIL of \$[REDACTED] are considered, Petitioner has a monthly deductible of \$[REDACTED]. There was no evidence that Petitioner had any of the other allowable deductions (court-ordered child support, blind/impairment related work expenses, allocation to non-SSI related children, an earned income disregard of \$65.00 plus ½ of the remaining earnings, or Guardianship/Conservator expenses).

Petitioner testified that she cannot meet the monthly deductible and the change in MA coverage resulted in the loss of all of her services. Petitioner indicated she is disabled and cannot afford what she needs. Petitioner did not dispute the income figure utilized the MA budget. (Petitioner Testimony).

This Administrative Law Judge has no authority to change or make any exceptions to the applicable regulations and policy, which require a monthly deductible when there is excess income. Overall, the evidence establishes that the Department properly determined Petitioner's eligibility for MA based upon the available information.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined Petitioner's eligibility for MA.
