Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. #### TAX FILERS AND NON- TAX FILERS

The household for a tax filer, who is not claimed as a tax dependent, consists of:

Individual.

8.

- Individual's spouse.
- Tax dependents.

The household for a non-tax filer who is not claimed as a tax dependent, consists of the individual and, if living with the individual:

- Individual's spouse.
- The individual's natural, adopted and stepchildren under the age of 19 or under the age of 21 if a full-time student.
- If the individual is under the age of 19 (or under 21 if a full-time student), the group consists of individual's natural, adopted and stepparents and natural, adoptive and step siblings under the age of 19 (or under 21 if a full time student).

The household for an individual who is a tax dependent of someone else, consists of:

- The household of the tax filer claiming the individual as a tax dependent, except that the individual's group must be considered as non-filer/non-dependent if:
- The individual is not the spouse or a biological, adopted, or stepchild of the taxpayer claiming them; or

- The individual is under the age of 19 (or under 21 if a full-time student) and expects to be claimed by one parent as a tax dependent and are living with both parents but the parents do not expect to file a joint tax return; or
- The individual is under the age of 19 (or under 21 if a full-time student) and expects to be claimed as a tax dependent by a non-custodial parent,
- The individual's group consists of the parent who has a court order or binding separation, divorce, or custody agreement establishing physical custody controls, or BEM 211
- If there is no such order or agreement or in the event of a shared custody agreement, the custodial parent is the parent with whom the child spends most nights. BEM 211

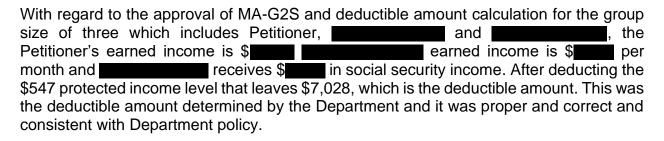

## **Standard Monthly Amount**

A standard monthly amount must be determined for each income source used in the budget. Stable and Fluctuating Income Convert stable and fluctuating income that is received more often than monthly to a standard monthly amount. Use one of the following methods:

- Multiply weekly income by 4.3.
- Multiply amounts received every two weeks by 2.15.
- Add amounts received twice a month. This conversion takes into account fluctuations due to the number of scheduled pays in a month. BEM 505

#### **Income Eligibility**

Income eligibility exists when net income does not exceed the Group 2 needs in BEM 544. Apply the MA policies in BEM 500, 530, 540 (for children) or 541 (for adults), and 544 to determine net income. If the net income exceeds Group 2 needs, MA eligibility is still possible per BEM 545.

Petitioner raised issues with regard to whether their adult children who reside with them should be included in the MA group. The adult children are over the age of 21 and therefore are not included in the MA group. BEM 211

Petitioner raised issues with regard to whether Petitioner's income was calculated correctly. Petitioner provided two pay stubs showing that he earned \$ and \$ and \$ . If you average those two checks and then multiply by 2.15, the result is \$ . This was the monthly income attributed to the Petitioner by the Department and it was consistent with Department policy. BEM 505

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in

accordance with Department policy when it determined Petitioner's MA benefit and deductible amount.
