Petitioner: [REDACTED]

**ADMINISTRATIVE LAW JUDGE: Danielle R. Harkness**

**ORDER OF DISMISSAL**  
**FOR LACK OF JURISDICTION**

On July 25, 2024, Petitioner, [REDACTED], requested a hearing to dispute an October 18, 2023, health care coverage determination notice. Pursuant to Petitioner's request, a hearing was scheduled to be held on September 11, 2024. Petitioner's Authorized Hearing Representative (AHR), [REDACTED] appeared and represented Petitioner. Respondent, Michigan Department of Health and Human Services (Department), had Rachel Meade, Hearings Coordinator, appear as its representative.

A 231-page hearing summary packet provided by the Department was admitted into evidence as the Department's Exhibit A.

Based on the evidence presented at the hearing, Petitioner's hearing request was not timely. Petitioner's hearing request was submitted to dispute an October 18, 2023, health care coverage determination, and the hearing request was not submitted until July 25, 2024. A client's request for hearing must be received by the Department within 90 days of the date of a negative action. BAM 600 (February 1, 2024), p. 6. The negative action was the notice that was issued to Petitioner and Petitioner's AHR on October 18, 2023, and Petitioner did not request a hearing within 90 days from the date of the notice. Therefore, Petitioner's hearing request was untimely and must be dismissed for lack of jurisdiction.

IT IS SO ORDERED.
