HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. The Department of Health and Human Services (Department) was represented by Priya Johnson, Assistance Payments Supervisor.

ISSUE

Did the Department properly determine Petitioner's eligibility for Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing recipient of MA benefits Group 2 Aged, Blind, Disabled (G2S) subject to a monthly deductible.
2. In connection with a redetermination, Petitioner's eligibility for MA benefits was reviewed. On or around August 26, 2024, Petitioner submitted a redetermination to the Department. (Exhibit A, pp. 6-13)
3. On or around September 18, 2024, the Department sent Petitioner a Verification Checklist (VCL) instructing him to provide proof of his checking account statement and veteran's pension. On or around October 4, 2024, Petitioner submitted proof of his veteran's pension and a bank account statement that the Department determined was not acceptable.

4. On or around October 7, 2024, the Department sent Petitioner a Health Care Coverage Determination Notice advising him that effective October 1, 2024, he was approved for limited coverage MA under the Plan First category and effective November 1, 2024, his MSP case would be closed because he did not submit information that the Department had requested. (Exhibit B, pp. 1-5)
5. On or around October 10, 2024, the Department sent Petitioner a Verification Checklist (VCL) instructing him to provide proof of his checking account statements by October 21, 2024. (Exhibit A, pp.21-22)
6. On or around October 30, 2024, Petitioner requested a hearing disputing the Department's actions regarding his MA case. (Exhibit A, pp. 3-5)
7. On or around November 8, 2024, the Department sent Petitioner a Health Care Coverage Determination Notice advising him that effective November 1, 2024, his MSP case would be closed because he failed to verify requested information. (Exhibit A, pp. 22-24)
8. On or around December 11, 2024, the Department sent Petitioner a Health Care Coverage Determination Notice, advising that effective November 1, 2024, his MSP case was reinstated, and he was approved under the SLMB category. The Health Care Coverage Determination Notice also advised Petitioner that his MA benefits under the G2S category were reinstated and effective December 1, 2024, his MA deductible was \$623. (Exhibit B, pp. 9-14)

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner disputed the Department's determination that he was eligible for MA under a deductible based program. Although it was established that several actions were taken by the Department prior to and after Petitioner requested a hearing, it was established that Petitioner's dispute was regarding his MA eligibility subject to a monthly deductible. The evidence showed that the Department had properly reinstated Petitioner's MSP benefits under the SLMB category effective November 1, 2024. (Exhibit B). The

Department determined that Petitioner was eligible for MA under the Group 2 Aged, Blind, Disabled (G2S) program subject to a monthly deductible of \$623 for the December 2024 benefit period.

MA is available (i) under SSI-related categories to individuals who are aged (65 or older), blind or disabled, (ii) to individuals who are under age 19, parents or caretakers of children, or pregnant or recently pregnant women, (iii) to individuals who meet the eligibility criteria for Healthy Michigan Plan (HMP) coverage, and (iv) to individuals who meet the eligibility criteria for Plan First Medicaid (PF-MA) coverage. 42 CFR 435.911; 42 CFR 435.100 to 435.172; BEM 105 (October 2023), p. 1; BEM 137 (June 2020), p. 1; BEM 124 (July 2023), p. 1. Under federal law, an individual eligible under more than one MA category must have eligibility determined for the category selected and is entitled to the most beneficial coverage available, which is the one that results in eligibility and the least amount of excess income or the lowest cost share. BEM 105, p. 2; 42 CFR 435.404.

HMP is a MAGI-related MA category that provides MA coverage to individuals who (i) are 19 to 64 years of age; (ii) have income under the MAGI methodology at or below 133% of the federal poverty level (FPL); (iii) do not qualify for or are not enrolled in Medicare; (iv) do not qualify for or are not enrolled in other MA programs; (v) are not pregnant at the time of application; and (vi) are residents of the State of Michigan. BEM 137, p. 1; 42 CFR 435.603.

Because Petitioner is enrolled in Medicare, he is not eligible for full coverage MA under the HMP. There was no evidence that Petitioner was the parent or caretaker of any minor children. Thus, the Department properly concluded that Petitioner was eligible for SSI-related MA, which is MA for individuals who are blind, disabled or over age 65. BEM 105, p. 1. Individuals are eligible for Group 1 coverage, with no deductible, if their income falls below the income limit, and eligible for Group 2 coverage, with a deductible that must be satisfied before MA is activated, when their income exceeds the income limit. BEM 105, p. 1. Ad-Care coverage is a SSI-related Group 1 MA category which must be considered before determining Group 2 MA eligibility. BEM 163 (July 2017), p. 1. Eligibility for Ad-Care is based on the client meeting nonfinancial and financial eligibility criteria. BEM 163, pp. 1-2. The eligibility requirements for Group 2 MA and Group 1 MA Ad-Care are the same, other than income. BEM 166 (April 2017), pp. 1-2.

Income eligibility for the Ad-Care program is dependent on MA fiscal group size and net income which cannot exceed the income limit in RFT 242. BEM 163, p. 2. Petitioner has a MA fiscal group of one. BEM 211 (October 2023), pp. 5-8. Effective April 1, 2024, an MA fiscal group with one member is income-eligible for full-coverage MA under the Ad-Care program if the group's net income is at or below \$1,275, which is 100 percent of the Federal Poverty Level, plus the \$20 disregard. RFT 242 (April 2023), p. 1. Thus, the income limit for Ad-Care eligibility is \$1,255.

The Department is to determine countable income according to SSI-related MA policies in BEM 500 and 530 *except* as explained in the countable RSDI section of BEM 163. The

Department will also apply the deductions in BEM 540 (for children) or 541 (for adults) to countable income to determine net income. BEM 163, p. 2.

The Department asserted that Petitioner had excess income for the Ad-Care program. The Department representative testified that it considered Petitioner's unearned income which totaled [REDACTED] and was based on his receipt of gross monthly RSDI/Social Security benefits in the amount of [REDACTED] and [REDACTED] in a veterans' pension. Petitioner did not dispute that he receives monthly unearned income in the amount identified by the Department. The Department properly considered the unearned income general exclusion of \$20. BEM 503 (January 2023), pp. 29-30. Therefore, the Department determined that Petitioner had countable income of [REDACTED]

After further review of Department policy and based on the testimony provided at the hearing, because Petitioner's [REDACTED] countable income exceeds the net income limit for the Ad-Care program, the Department acted in accordance with Department policy when it determined that Petitioner was ineligible for full coverage MA benefits under the Ad-Care program without a deductible and determined that he would be eligible for MA under the Group 2 Aged Blind Disabled (G2S) program with a monthly deductible.

Additionally, deductible is a process which allows a client with excess income to become eligible for Group 2 MA if sufficient allowable medical expenses are incurred. BEM 545 (July 2022), p. 10. Individuals are eligible for Group 2 MA coverage when net income (countable income minus allowable income deductions) does not exceed the applicable Group 2 MA protected income levels (PIL), which is based on shelter area and fiscal group size. BEM 105, pp. 1-2; BEM 166, pp. 1-2; BEM 544 (January 2020), p. 1; RFT 240 (December 2013), p. 1. The PIL is a set allowance for non-medical need items such as shelter, food and incidental expenses. BEM 544, p. 1. The monthly PIL for an MA group of one living in Oakland County is \$408 per month. RFT 200 (April 2017), pp. 1-2; RFT 240, p. 1. Thus, if Petitioner's net monthly income is in excess of the \$408, he may become eligible for assistance under the deductible program, with the deductible being equal to the amount that his monthly income exceeds \$408. BEM 545, p. 1. To meet a deductible, a MA client must report and verify allowable medical expenses (defined in Exhibit I) that equal or exceed the deductible amount for the calendar month being tested. The group must report expenses by the last day of the third month following the month in which client wants MA coverage. BEM 545, p. 11. The Department is to add periods of MA coverage each time the group meets its deductible. BEM 545, p.11.

The Department determined that Petitioner was eligible for MA under the G2S category with a monthly deductible of \$623 for the month of December 2024. The Department presented the SSI-Related Medicaid Income Budget, which was thoroughly reviewed to determine whether the Department properly calculated the amount of Petitioner's deductible. (Exhibit B, p. 6). As referenced above, the Department properly considered unearned income from RSDI/Social Security and veterans' pension in the gross total amount of [REDACTED] and properly applied the \$20 unearned income exclusion.

Because Petitioner's MSP had not been activated in the Bridges system at the time the budget was completed, the Department continued to apply a deduction for insurance premiums in the amount of \$339.70. The Department representative testified that it appears the Medicare premiums were counted twice and would be updated in future budgets. There was no evidence presented that Petitioner had any additional monthly insurance premiums. There was no evidence that Petitioner submitted any medical expenses for consideration and no evidence that Petitioner was entitled to any additional deductions to income such as guardianship/conservator expenses or remedial services. Thus, the budget did not reflect any additional income deductions.

Upon review, the Department properly considered Petitioner's unearned income and took into consideration the appropriate deductions to income. Based on the evidence presented because Petitioner's countable income of [REDACTED] for MA purposes exceeds the monthly protected income level of \$408 by \$623, the Department properly calculated Petitioner's monthly \$623 MA deductible in accordance with Department policy. Therefore, based on the information relied upon by the Department, the Department properly determined that Petitioner was eligible for MA under the G2S program with a monthly deductible of \$623 for December 2024.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined Petitioner's MA eligibility.
