Agency No.: [REDACTED]  
Petitioner: [REDACTED]

**ADMINISTRATIVE LAW JUDGE: Danielle R. Harkness**

**HEARING DECISION**

On November 25, 2024, Petitioner, [REDACTED], requested a hearing to dispute the expungement of summer EBT (SEBT) benefits for Petitioner's 2 school-aged children. As a result, a hearing was scheduled to be held on December 30, 2024. Public assistance hearings are held pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. Petitioner appeared and represented herself. Respondent, Department of Health and Human Services (Department), had Eligibility Specialist Stephanie Greer appear as its representative.

An 18-page packet of documents provided by the Department was admitted collectively as the Department's Exhibit A.

**ISSUE**

Did the Department properly expunge SEBT benefits for Petitioner's 2 school-aged children?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner's children were eligible members in an existing Medical Assistance (MA) household.
2. Because Petitioner's children were eligible household members in an existing MA case, Petitioner's children were streamlined certified to receive SEBT benefits.
3. On [REDACTED] 2024, Petitioner moved and attempted to change her mailing address with the postal service but was unable to successfully do so until [REDACTED] or [REDACTED] 2024.

4. On July 6, 2024, the Department issued SEBT benefits for Petitioner's children and an SEBT card was mailed to Petitioner at her last-known address of record and was not returned to the Department as undeliverable.
5. On July 12, 2024, a summer EBT benefit notice was mailed to Petitioner at her last-known address of record. The notice stated, "You will receive a S-EBT Card in the mail about 10 days after receiving this notice..." and that "S-EBT benefits must be used in full within 122 days from date of issuance."
6. The July 12, 2024, notice was not returned to the Department as undeliverable.
7. Petitioner did not receive the July 12, 2024, summer EBT benefit notice until August or September 2024.
8. On October 8, 2024, the Department issued a SEBT expungement notice to Petitioner stating that the SEBT funds needed to be used by November 7, 2024, or the funds would be expunged.
9. Petitioner received the October 8, 2024, expungement notice.
10. On [REDACTED] 2024, Petitioner requested to have her SEBT card mailed to a PO Box address.
11. On October 30, 2024, the SEBT card was reissued to the mailing address Petitioner provided on October 16, 2024.
12. On November 7, 2024, the unused SEBT benefits for Petitioner's children were expunged.
13. After November 7, 2024, Petitioner received the SEBT card.
14. On November 25, 2024, Petitioner requested a hearing to dispute the expungement of Petitioner's children's SEBT benefits.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The FAP is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

This dispute involves SEBT benefits. The SEBT program is a federally funded program that provides grocery-buying benefits to low-income families with school-age children when schools are closed for the summer as a supplement to summer meal sites. BEM 619 (June 1, 2024), p. 1. A one-time lump sum benefit of \$120.00 per eligible child is issued. *Id.* at 2. This payment covers the months of June, July, and August. *Id.* Students are issued the SEBT benefits one of the following ways:

1. Benefits for children on existing FAP, TANF, or FDPIR groups will be placed on the head of household's Bridge card associated with the case.
2. **Benefits for children in an existing MA group will be placed on a new card in the head of household's name and include all eligible children in the group.**
3. Benefits for children enrolled in the NSLP/SBP and found eligible through the SEBT application process will receive individual cards.

The EBT card will be sent to the current mailing address on file with MDHHS or the school. For children that are unsheltered, the card will be sent to the last school on file. To update an address, contact the SEBT call center by phone or email. *Id.* at 3.

The USDA Food and Nutrition Service (FNS) regulations state that Summer EBT benefits are subject to expungement 122 days after available funds are loaded on the card and cannot be restored or replaced once expunged. 7 CFR 292.15(h), (December 16, 2024).

In this case, because Petitioner's children were eligible members in an existing MA group, Petitioner's children were streamlined certified to receive SEBT benefits. Therefore, on July 12, 2024, a summer EBT benefit notice was mailed to Petitioner at her last-known address of record and was not returned to the Department as undeliverable. The notice advised Petitioner's spouse that "You will receive a S-EBT Card in the mail about 10 days after receiving this notice..." and that "S-EBT benefits must be used in full within 122 days from date of issuance."

Documents properly addressed and placed in the mail are presumed to reach their destination. *Crawford v Michigan*, 208 Mich App 117, 121; 527 NW2d 30 (1994). "This - 2- presumption may be rebutted by evidence, but whether it was a question for the trier of fact." *Stacey v Sankovich*, 19 Mich App 688, 694; 173 NW2d 225 (1969). Plaintiff denied receipt of the papers but presented no evidence to rebut the presumption of receipt. The mere denial of service is insufficient to rebut the presumption. Cf. *Ins Co of North America v Issett*, 84 Mich App 45, 49; 269 NW2d 301 (1978); *James v James*, 57 Mich App 452, 454; 225 NW2d 804 (1975). In this case, Petitioner testified that she did not receive the SEBT card. However, the Department provided credible evidence that both the July 12, 2024, summer EBT issuance notice and the SEBT card were mailed to Petitioner's last-known mailing address and were not returned as undeliverable.

Further, the Department also showed that it properly issued SEBT benefits to Petitioner and that the unused SEBT benefits for Petitioner's children were properly expunged on November 7, 2024.

**DECISION AND ORDER**

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with its policies and the applicable law when it expunged SEBT benefits for Petitioner's children.

IT IS ORDERED, the Department's decision is **AFFIRMED**.
