DECISION AND ORDER

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 42 CFR 431.200 *et seq.*, upon the Petitioner's request for a hearing.

After due notice, a hearing was held on April 14, 2022. Petitioner appeared on her own behalf. Theresa Root, Appeals Review Officer, appeared on behalf of the Respondent, the Department of Health, and Human Services (Department). Erica Titov, Medicaid Utilization Analyst, appeared as a witness for the Department.

Exhibits:

Petitioner	None
Department	A – Hearing Summary

ISSUE

Did the Department properly deny Petitioner’s request for prior authorization?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner is a Medicaid beneficiary, born [REDACTED] 1967. (Exhibit A, p 9.)
2. On [REDACTED] 2019, Petitioner received upper partial dentures. (Exhibit A, p 12; Testimony.)
3. On or around January 26, 2022, Advanced Warren Dental, submitted on behalf of Petitioner, a prior authorization request for upper partial dentures. (Exhibit A, p 6; Testimony.)

4. On February 8, 2022, the Department sent the Petitioner a notification of denial. The notification of denial indicated the prior authorization request was denied. The reason for the denial was that complete or partial dentures are not authorized when a previous prosthesis had been provided within the prior 5 years. (Exhibit A, pp 9-10; Testimony.)
5. On March 14, 2022, the Michigan Office of Administrative Hearings and Rules (MOAHR) received Petitioner's Request for Hearing. (Exhibit A, pp 3-5.)

CONCLUSIONS OF LAW

The Medical Assistance Program (MA) is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

1.9 PRIOR AUTHORIZATION

Medicaid requires prior authorization (PA) to cover certain services before those services are rendered to the beneficiary. The purpose of PA is to review the medical need for certain services.¹

Under the general policy instructions for Medicaid related dental services the MPM sets replacement schedules for denture repair and replacement:

6.6.A. GENERAL INSTRUCTIONS

Complete dentures, immediate complete dentures, and partial dentures are benefits for all beneficiaries and require PA. Complete or partial dentures are prior authorized when one or more of the following conditions exist:

- One or more anterior teeth missing.
- There are less than eight posterior teeth in occlusion (fixed bridges and dentures are to be considered occluding teeth).

Complete or partial dentures are not authorized when:

- Medicaid or Medicaid Managed Care has provided a denture in the same arch within five years.

¹ Medicaid Provider Manual, Practitioner Chapter, April 1, 2022, p 4.

- An adjustment, relining, repair, or rebase will make the current dentures serviceable.
- A complete or partial denture obtained through Medicaid within five years has been lost or broken.²

The Department's witness stated Petitioner's prior authorization request for upper partial dentures was denied, because upper partial dentures had been provided and paid for within the prior 5 years.

Petitioner bears the burden of proving by a preponderance of the evidence that the Department erred in denying the prior authorization request. And in this case, the Petitioner indicated her dentures had been stolen and she needed a replacement.

The Department witness indicated an exception could be made if Petitioner could submit a new prior authorization request with a copy of a detailed police report that identifies the dentures as being stolen. Petitioner indicated a police report was not filed.

As described above, the Department's witness properly identified the reason why Petitioner's request was denied, and this reason establishes a sufficient basis for the denial in this case. Accordingly, the Department's decision must be affirmed.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, decides that the Department properly denied the Petitioner's request for upper partial dentures.

IT IS, THEREFORE, ORDERED that:

The Department's decision is **AFFIRMED**.
