**DECISION AND ORDER**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 42 CFR 431.200 *et seq.*, upon Petitioner’s request for a hearing.

After due notice, a hearing was held on May 21, 2024. Muna Abdulrahim, Petitioner’s Case Manager, appeared on behalf of Petitioner. Florence Scott-Emuakpor, Appeals Review Officer, appeared on behalf of the Respondent, the Michigan Department of Health and Human Services (Department). Exhibits:

Petitioner	None
Department	A – Hearing Summary

**ISSUE**

Did the Department properly deny Petitioner’s application for the Home Help Services (HHS) program?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED] Petitioner submitted a request for HHS. (Exhibit A; Testimony.)

2. At all times relevant to this proceeding, Petitioner was married and lived with her spouse, [REDACTED] (Exhibit A; Testimony.)
3. On February 28, 2024, the Department received completed medical needs forms for both Petitioner and [REDACTED]. The medical needs form completed on behalf of [REDACTED] did not indicate [REDACTED] as being disabled or indicate [REDACTED] needed assistance with an Activity of Daily Living (ADL). (Exhibit A; Testimony.)
4. On March 29, 2024, the Petitioner and [REDACTED] participated in a face-to-face assessment. During the assessment, [REDACTED] was identified as Petitioner's husband; that he doesn't work; and that Petitioner lives in her home with [REDACTED] (Exhibit A; Testimony.)
5. On April 15, 2024, the Department sent Petitioner a Negative Action Notice. The notice indicated HHS were being denied as a result of [REDACTED] [REDACTED] being a responsible relative who was able and available to provide care. (Exhibit A; Testimony.)
6. On April 24, 2024, the Michigan Office of Administrative Hearings and Rules received from Petitioner, a request for hearing. (Exhibit A.)

### **CONCLUSIONS OF LAW**

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

Home Help Services (HHS) are provided to enable functionally limited individuals to live independently and receive care in the least restrictive, preferred settings. These activities must be certified by a physician and may be provided by individuals or by private or public agencies.

Adult Services Manual (ASM) 120, addresses responsible relatives:

#### ***Responsible Relatives***

A responsible relative is defined as an individual's spouse or a parent of an unmarried child under age 18.

Activities of daily living (ADL) may be approved when the responsible relative is **unavailable** or **unable** to provide these services.

**Note: Unavailable** means absence from the home for an extended period due to employment, school or other

legitimate reasons. The responsible relative must provide a work or school schedule to verify they are unavailable to provide care. **Unable** means the responsible person has disabilities of their own which prevent them from providing care. These disabilities must be documented and verified by a medical professional on the DHS-54A, Medical Needs form.

Do **not** approve shopping, laundry, or light housecleaning, when a responsible relative of the client resides in the home, **unless** they are unavailable or unable to provide these services. Document findings in the general *Contacts* in MiAIMS.

**Example:** Mrs. Smith is in need of home help services. Her spouse is employed and is out of the home Monday thru Friday from 7a.m. to 7p.m. The ASW would not approve hours for shopping, laundry or house cleaning as Mr. Smith is responsible for these tasks and is able to complete these tasks on the weekends.<sup>1</sup>

The Department submitted evidence indicating the Petitioner was married and resided with her spouse, and that there was zero documentation submitted to indicate the spouse was either unable or unavailable to provide care to the Petitioner.

The Petitioner argued [REDACTED] was unable to provide care due to a disability. The corresponding 54A; however, did not indicate [REDACTED] was disabled or that he required assistance with his own ADL's. The Petitioner also indicated that at one time [REDACTED] was determined to be disabled but failed to provide any documentation to support this argument.

It was explained that Petitioner could always make a new request for services, and the spouse could provide the Department with the appropriate documentation to corroborate their claims.

As indicated above, ASM 120 defines a responsible relative as a person's spouse or a parent of an unmarried child under age 18. Petitioner's spouse meets the definition of a responsible relative, and no evidence was presented to the Department showing that Petitioner's spouse was unable or unavailable to provide care to Petitioner as of the date of action in this matter. Consequently, the Departments decision to deny HHS should be affirmed.
