HEARING DECISION

On February 28, 2025, Petitioner [REDACTED] [REDACTED] requested a hearing to dispute a Medicaid determination. As a result, a hearing was scheduled to be held on April 10, 2025. Public assistance hearings are held pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; 45 CFR 205.10; and Mich Admin Code, R 792.11002.

The parties appeared for the scheduled hearing. Petitioner appeared and represented himself. Respondent Michigan Department of Health and Human Services (Department) had Eligibility Specialist Lynda Brown appear as its representative. There were no other participants.

Both parties provided sworn testimony, and one exhibit was admitted into evidence. A 36-page packet of documents provided by the Department was admitted collectively as Exhibit A.

ISSUE

Did the Department properly determine Petitioner's Medicaid eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

-
-
1. On February █ 2025, Petitioner submitted a redetermination form to the Department to renew his Medicaid eligibility. Petitioner reported in the redetermination form that he was receiving income from unemployment compensation benefits. Petitioner also reported in the redetermination form that he files a federal tax return as a single individual and claims one tax dependent.
 2. On February █ 2025, Petitioner submitted a change report to the Department to notify the Department that he obtained employment. Petitioner reported that he obtained employment at █ █. Petitioner reported that he was working 30 hours per week, he was getting paid \$█ per hour, and he was getting paid weekly.
 3. The Department completed Petitioner's redetermination. The Department determined that Petitioner had a household size of two, and the Department determined that Petitioner's household modified adjusted gross income (MAGI) was \$█ per year. The Department determined that Petitioner's household MAGI exceeded the income limit for Medicaid coverage.
 4. Prior to the redetermination, Petitioner had full-coverage Medicaid through the Healthy Michigan Plan.
 5. On February █ 2025, the Department mailed a health care coverage determination notice to Petitioner to notify him that he was ineligible for Medicaid, effective April 1, 2025.
 6. Petitioner requested a hearing to dispute the Department's determination.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

Medicaid is also known as Medical Assistance (MA). The MA program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner is disputing the Department's decision to find Petitioner ineligible for full-coverage Medicaid. Thus, the issue here is whether the Department properly determined that Petitioner was ineligible for full-coverage Medicaid.

Medicaid coverage for adults is available through the Healthy Michigan Plan. In order for an individual to be eligible for full-coverage Medicaid through the Healthy Michigan Plan, the individual must be aged 19 to 64, and the individual's household income must not exceed 133% of the Federal Poverty Limit (FPL). BEM 137 (January 1, 2024), p. 1. However, a 5% disregard is available to make those individuals eligible who would otherwise not be eligible. BEM 500 (April 1, 2022), p. 5. The 5% disregard increases the income limit by an amount equal to 5% of the FPL for the household size. *Id.* at 5.

An individual's household size is determined based on tax filer and tax dependent rules. BEM 211 (October 1, 2023), p. 1. For tax filers, the household size includes the tax filer, the tax filer's spouse, and all dependents claimed. *Id.* at 1-2. Here, Petitioner's household size is two because Petitioner is a single tax filer who claims one dependent.

The FPL for a household size of two in 2025 is \$21,150.00. 90 FR 5917 (January 17, 2025). Since the applicable FPL is \$21,150.00, 133% of the FPL is \$28,129.50, and 133% with a 5% disregard is \$29,187.00. Thus, the income limit for Petitioner to be eligible for full-coverage Medicaid through the Healthy Michigan Plan is \$29,187.00 per year.

Income eligibility is based on modified adjusted gross income (MAGI) for Healthy Michigan. BEM 137 at 1 and 7 CFR 435.603. MAGI is defined as adjusted gross income increased by (1) excluded foreign income, (2) tax exempt interest, and (3) the amount of social security benefits excluded from gross income. 26 USC 36B(d)(2)(B). Adjusted gross income is that which is commonly used for Federal income taxes, and it is defined as gross income minus deductions for business expenses, losses on the sale or exchange of property, retirement contributions, and others. 26 USC 62.

The Department begins its income determination by examining a client's self-reported income. BEM 500 at 5. If the client's self-reported income is over the income limit, then the client is ineligible. *Id.* If the client's self-reported income is below the income limit, the Department compares the client's self-reported income to income obtained from trusted sources to determine if the two are compatible. *Id.* Income is compatible if the difference between the two is 10% or less. *Id.* If the two are compatible, then the Department uses the client's self-reported income. *Id.* If the two are not compatible and the income obtained from trusted sources is over the income limit, then the Department requires the client to provide proof of the self-reported income. *Id.* at 5-6.

Based on the evidence presented, Petitioner's self-reported income was over the income limit. Petitioner reported that he was working 30 hours per week and he was getting paid \$[REDACTED] per hour. Petitioner's self-reported income was the equivalent of \$[REDACTED] per year. Petitioner's self-reported household income was the same as his household MAGI. Thus, Petitioner's household MAGI was \$[REDACTED] which exceeded the income limit for Petitioner to be eligible for full-coverage Medicaid through the Healthy Michigan Plan. Since Petitioner's household MAGI exceeded the applicable income limit, the Department properly determined that Petitioner was ineligible for full-coverage Medicaid through the Healthy Michigan Plan.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with its policies and the applicable law when it determined Petitioner's Medicaid eligibility.

IT IS ORDERED that the Department's decision is **AFFIRMED**.
