GENERAL (OIG)

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Title 7 of the Code of Federal Regulations (CFR), particularly 7 CFR 273.16. After due notice, a telephone hearing was held on November 4, 2025. The Department was represented by Office of Inspector General (OIG) Regulation Agent Allyson Carneal. Respondent [REDACTED] did not appear. The hearing was held in Respondent's absence pursuant to 7 CFR 273.16(e)(4).

A 66-page packet of documents provided by the Department was admitted collectively as the Department's Exhibit A.

ISSUES

1. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
2. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge based on the clear and convincing evidence on the whole record finds as material fact:

1. On June 1, 2023, Respondent submitted an assistance application and reported no current employment as Respondent was just fired from [REDACTED] due to transportation issues.
2. Respondent's signature on the Assistance Application certified that Respondent read and understood the rights and responsibilities. This would include providing accurate information and timely reporting changes.
3. On June 6, 2023, Respondent completed an interview with the Department and reported that Respondent's last paycheck was received on June 8, 2023. Respondent reported earning [REDACTED] per month in self-employment income. No

other employment or income was reported. Respondent's rights and responsibilities were reviewed with Respondent.

4. On June 27, 2023, Respondent began employment at [REDACTED] and received income from this employment from July 8, 2023, to November 3, 2023.
5. On June 29, 2023, Respondent submitted a letter to the Department reporting that Respondent was no longer receiving self-employment income. No other employment or income was reported.
6. On June 29, 2023, the Department mailed a notice of case action to Respondent to notify Respondent that Respondent was approved for FAP benefits based on reported earned income of [REDACTED] per month. The Department instructed Respondent to report all changes in household income to the Department within 10 days of the date of the change. A blank change report was also included for Respondent to report any changes.
7. On September 29, 2023, Respondent applied for State Emergency Relief (SER) benefits and reported no employment or income.
8. On or around October 29, 2023, Respondent began employment at [REDACTED] and received income from this employment from October 29, 2023, to December 31, 2023.
9. Respondent did not have any impairment that would have limited Respondent's understanding of Respondent's reporting responsibilities or Respondent's ability to carry out Respondent's reporting responsibilities.
10. On January 26, 2024, the Department first became aware of Respondent's unreported earned income from [REDACTED] via a work number report.
11. From September 1, 2023, to December 31, 2023, Respondent was receiving FAP benefits from the Department while Respondent was employed, and Respondent did not report to the Department Respondent's earned income.
12. The Department was unaware of Respondent's employment income, so the Department continued to pay FAP benefits to Respondent while Respondent was working and earning income.
13. The Department investigated Respondent's case and determined that it overpaid FAP benefits to Respondent because Respondent had unreported income.
14. The Department determined that Respondent was overpaid [REDACTED] in FAP benefits from September 1, 2023, to December 31, 2023.

15. The Department established a claim for the amount of the overpayment.
 16. On August 25, 2025, the Department's OIG filed a hearing request to establish that Respondent committed an IPV.
 17. The Department's OIG requested that Respondent be disqualified from the FAP for 12 months for a first IPV.
 18. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

The Supplemental Nutrition Assistance Program (SNAP) is a federal food assistance program designed to promote general welfare and to safeguard well-being by increasing food purchasing power. 7 USC 2011 and 7 CFR 271.1. The Department administers its Food Assistance Program (FAP) pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015. Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

IPV

An IPV "shall consist of having intentionally: (1) made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards." 7 CFR 273.16(c). An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence, which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

The Department presented clear and convincing evidence to establish that Respondent had a change in employment and income that Respondent purposely failed to report to the Department so that Respondent could maintain Respondent's FAP benefits. Respondent was required to report changes in Respondent's circumstances to the Department within 10 days of the change. 7 CFR 273.12(a)(2). Although the Department clearly and correctly instructed Respondent to report changes to the Department within 10 days, Respondent failed to report that Respondent had a change in employment and income within 10 days of the date of the change.

Disqualification

In general, individuals found to have committed an IPV through an administrative disqualification hearing shall be ineligible to participate in FAP: (i) for a period of 12 months for the first violation, (ii) for a period of 24 months for the second violation, and (iii) permanently for a third violation. 7 CFR 273.16(b). Only the individual who committed the violation shall be disqualified – not the entire household. 7 CFR 273.16(b)(11).

In this case, there is no evidence that Respondent has ever been found to have committed an IPV related to FAP benefits. Thus, this is Respondent's first IPV related to FAP benefits, and Respondent is subject to a 12-month disqualification from the FAP.

DECISION AND ORDER

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent is personally disqualified from the FAP for 12 months.

IT IS SO ORDERED.
