DECISION AND ORDER

On September 3, 2025, Petitioner [REDACTED] requested a hearing to dispute a Home Help Services (HHS) determination. As a result, a hearing was scheduled to be held on October 8, 2025. Medicaid services hearings are held pursuant to MCL 400.9 and 400.37; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; and Mich Admin Code, R 792.11002.

The parties appeared for the scheduled hearing. Petitioner appeared with her authorized hearing representative, [REDACTED]. Respondent Michigan Department of Health and Human Services (Department) had Appeals Review Officer John Lambert appear as its representative. Respondent had two witnesses: Adult Services Specialist Shameka Mims and Adult Services Supervisor Jocelyn Murphy. There were no other participants.

Both parties provided sworn testimony, and one exhibit was admitted into evidence. A 57-page packet of documents provided by the Department was admitted into evidence as Exhibit A.

ISSUE

Did the Department properly deny Petitioner's request for Home Help Services (HHS)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Petitioner requested HHS from the Department.
2. On July 16, 2025, the Department mailed a letter to Petitioner to notify Petitioner that an adult services worker would be visiting Petitioner's home on August 7, 2025.
3. On July 21, 2025, Petitioner contacted the adult services worker to reschedule the adult services worker's visit.

4. On July 23, 2025, the Department mailed a letter to Petitioner to notify Petitioner that an adult services worker would be visiting Petitioner's home on August 19, 2025.
 5. Petitioner did not contact the Department to reschedule the adult services worker's home visit.
 6. On August 19, 2025, an adult services worker unsuccessfully attempted to visit Petitioner at her home. Nobody answered the door when the adult services worker rang the doorbell and knocked on the door. The adult services worker called Petitioner, and Petitioner reported that she was in the hospital.
 7. On August 19, 2025, the Department mailed a negative action notice to Petitioner to inform Petitioner that her request for HHS was denied because she failed to participate in a scheduled assessment.
 8. Petitioner requested a hearing to dispute the Department's decision.

CONCLUSIONS OF LAW

The Medical Assistance Program (MA) is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

Home Help Services (HHS) are provided to enable functionally limited individuals to live independently and receive care in the least restrictive, preferred settings. These activities must be certified by a health professional and may be provided by individuals or by private or public agencies.

In order to be eligible for HHS, an individual must have a need for services based on a comprehensive assessment indicating a need for hands-on assistance with at least one activity of daily living (ADL) or a need for complex care. ASM 120 (May 1, 2023), p. 3. Those activities known as ADL's are eating, toileting, bathing, grooming, dressing, transferring, and mobility. *Id.* at 2-3. Complex care includes care such as catheters, bowel programs, specialized skin care, suctioning, range of motion exercises, wound care, respiratory treatments, ventilators, and injections. *Id.* at 4-5.

The comprehensive assessment is the Department's primary tool for determining a client's need for services. *Id.* at 1. Although a medical professional may certify a client's need for services, it is the Department who determines whether there is a need for services through its comprehensive assessment. ASM 115 (May 1, 2023), p. 2. During the assessment, the Department documents a client's abilities and needs in order to determine the client's ability to perform activities. ASM 120 at 2.

In this case, the Department unsuccessfully attempted to complete a comprehensive assessment. The Department was unable to complete a comprehensive assessment because Petitioner was not home at the time of the scheduled assessment. Since the Department was unable to complete a comprehensive assessment, the Department could not determine Petitioner's need for services, so the Department denied Petitioner's request for HHS.

The Department acted in accordance with ASM 120 when it attempted to complete Petitioner's comprehensive assessment, and the Department properly determined that it could not approve Petitioner's request for HHS without completing an assessment. Accordingly, the Department properly determined that Petitioner did not meet the eligibility criteria for HHS in accordance with ASM 105, and the Department properly notified Petitioner that her request for HHS was denied in accordance with ASM 150. Petitioner did not present sufficient evidence to establish that the Department's decision should be reversed. Therefore, the Department's decision to deny Petitioner's request for HHS is affirmed. Petitioner may reapply for HHS.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the Department properly denied Petitioner's request for HHS.

IT IS ORDERED that the Department's decision is **AFFIRMED**.
