HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a hearing was held via telephone conference on October 8, 2025. Petitioner did not appear for the hearing. Petitioner was represented by Authorized Hearing Representative (AHR) [REDACTED]. The Michigan Department of Health and Human Services (MDHHS or Department) was represented by Catena Cook, Eligibility Specialist.

ISSUE

Did the Department properly terminate Petitioner's State Supplement SSI Payment (SSP) program benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was previously approved for Supplemental Security Income (SSI) through the federal Social Security Administration (SSA).
2. Petitioner was an ongoing recipient of SSP program benefits through the Department.
3. On or around August 19, 2025, the Department sent Petitioner a Notice of State SSI Payment Change advising him that his quarterly SSP has been cancelled. The reason for the change was that the SSA notified the Department that Petitioner was no longer eligible for SSI and that the last State SSI Payment he would receive from the Department is scheduled to be issued on September 12, 2025. (Exhibit A, pp.4-5)
4. On or around September 2, 2025, Petitioner requested a hearing disputing the Department's actions with respect to his SSP case.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The State SSI Payments (SSP) program is established by 20 CFR 416.2001-.2099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.

SSI is a cash benefit to needy persons who are aged (at least 65), blind or disabled. It is a federal program administered by the Social Security Administration (SSA). States are allowed the option to supplement the federal benefit with state funds. In Michigan, SSI benefits include a basic federal benefit and an additional amount paid with state funds. The amount of the state benefit varies by living arrangement. BEM 660 (October 2021), p.1.

The Department issues SSP benefits to SSI recipients in the following living arrangements: Independent living or Household of another (Living in the household of another person and receiving partial or total support and maintenance in kind from that person). SSP payments are issued quarterly and payment levels are determined by RFT 248. BEM 660, pp.1-2; RFT 248 (January 2021), pp. 1-3. Payments are made for only those months the SSI recipient received a regular first of the month federal benefit. These are shown as a recurring payment dated the first of the month on the State Online Query (SOLQ). SSPs are not issued for retroactive or supplemental federal benefits. BEM 660, pp. 1-2. SSP benefits are issued quarterly and are paid the last month of each quarter. The DHS-430, Notice of State SSI Payment Change is sent to each SSI recipient whose current quarterly SSP payment is less than the previous quarterly state SSP payment. The Notice gives recipients timely notice of any proposed benefit reduction, notifies recipients of their hearing rights, and notifies recipients of the date they will receive their next reduced quarterly check. BEM 660, p.3

Petitioner's AHR requested a hearing on Petitioner's behalf disputing the information in the August 19, 2025, Notice of State SSI Payment Change and the Department's termination of his quarterly █████ State SSI Payment. The Department testified that it received information from the SSA indicating that Petitioner is no longer eligible for SSI benefits and that his SSI benefits had been cancelled. During the hearing, the Department reviewed Petitioner's SOLQ and testified that it showed that the last recurring payment dated the first of the month received by Petitioner was dated August 1, 2025, with no subsequent payments. Petitioner's AHR confirmed that Petitioner's SSI case was closed and that he has not received an SSI payment since August 2025. Petitioner's AHR testified that Petitioner is in the process of appealing the termination of his SSI benefits.

25-032211

Because Petitioner is only eligible for SSP if he receives a regular first of the month SSI federal benefit that is identified on the SOLQ as a recurring payment dated the first of the month, the Department properly issued the August 19, 2025, Notice of State SSI Payment Change and terminated Petitioner's SSP case.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's SSP case.

Accordingly, the Department's decision is **AFFIRMED**.
