 5. Petitioner requested a hearing to dispute the Department's decision.

CONCLUSIONS OF LAW

The Medical Assistance Program (MA) is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

Home Help Services (HHS) are provided to enable functionally limited individuals to live independently and receive care in the least restrictive, preferred settings. These activities must be certified by a health professional and may be provided by individuals or by private or public agencies.

When the Department receives a referral for HHS, the Department sends an introduction letter and forms to the client. ASM 110 (May 1, 2023), p. 2. One of the forms that the Department sends with the introduction letter is a medical needs form. *Id.* A medical needs form is required in order to be eligible for HHS. ASM 105 (June 1, 2020), pp. 1-3. The introduction letter gives the client 21 calendar days to return the completed forms to the Department. ASM 110 at 2.

In this case, the Department sent an introduction letter to Petitioner along with forms, including a medical needs form. The Department gave Petitioner 21 calendar days to return to the completed forms to the Department, and Petitioner did not return a completed medical needs form to the Department within 21 calendar days, so the Department denied Petitioner's request for HHS.

The Department acted in accordance with ASM 110 when it mailed an introduction letter and forms to Petitioner, the Department acted in accordance with ASM 110 when the Department gave Petitioner 21 calendar days to return the completed forms to the Department, and the Department acted in accordance with ASM 150 when it notified Petitioner that his request for HHS was denied. Petitioner did not present sufficient evidence to establish that the Department's decision should be reversed. Therefore, the Department's decision to deny Petitioner's request for HHS is affirmed. Petitioner may reapply for HHS.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the Department properly denied Petitioner's request for HHS.

IT IS ORDERED that the Department's decision is **AFFIRMED**.
