Rule 9. (1) All of the following items shall be verified:

- (a) The existence of an emergency.
 - (b) The sources and amounts of income and the dates received.
 - (c) The identity of the client.
 - (d) The cost of resolving the emergency.
 - (e) The ownership and market value of assets.
 - (f) Payment by the relief group of a required payment amount that is established by these rules as a condition of eligibility for relief.
- (2) Failure on the part of the client to cooperate in obtaining proof of eligibility shall be reason to deny relief.
- (3) If verification of the information specified in subrule (1) of this rule cannot be obtained after the client has made reasonable efforts to obtain it, the department may waive verification and base the determination of eligibility on the best available evidence.

History: 1993 AACCS.

R 400.7010 General requirements for relief.

Rule 10. Relief shall not be granted until all of the following requirements are satisfied:

- (a) An application has been completed.
- (b) A face-to-face interview has been conducted by an employee of the department with an adult member of the relief group, if required by the department.
- (c) The application is signed. The department may, in its discretion, require the application to be signed in the presence of a department worker and be witnessed by the worker.

(d) Information and verification that are required by the department have been obtained.

History: 1993 AACCS.

R 400.7011 Determination of eligibility within 10 calendar days required.

Rule 11. Eligibility for the state emergency relief program shall be determined within 10 calendar days from the date the application is completed.

History: 1993 AACCS.

R 400.7012 Divestment of resources by client.

Rule 12. A client who sells or otherwise disposes of an asset or other resource within 90 days before applying for the state emergency relief program without receiving the market value of the asset or resource shall be ineligible for the state emergency relief program if the reason for the sale or disposition is to become eligible for, or remain eligible for, the state emergency relief program, to increase the amount of emergency relief, or to avoid repayment of emergency relief that has been granted.

History: 1993 AACCS.

R 400.7013 Relief; issuance; form; standard rates; approval by department.

Rule 13. (1) The department may issue emergency relief for which a client has been determined eligible either in the form of vendor payments to the provider or in the form of direct payments to the client.

(2) The department shall determine what items are to be provided and shall establish standard rates for items provided through the state emergency relief program. The rates may vary among shelter areas and utility zones defined by the department.

(3) Prior authorization from the department for relief shall be required, except when the emergency need occurs before or after regular office hours of the department, in which case payment may be made if the client files an application within 5 business days of the emergency. Prior authorization is required for burial unless the department is closed for the entire period between death and burial or cremation, in which case payment may be made if an application is filed on the first business day following the occurrence.

(4) The issuance of emergency relief shall be approved only during the authorization period. Payment may be made only for the services that are approved during the authorization period.

History: 1993 AACCS.

 - (m) Military allotments.
 - (n) Investment income, such as dividends, interest, and royalties.
 - (o) Income from annuities, bonds, stocks, and trusts.
- (3) Net unearned income shall be determined by deducting all of the following from the gross amount received:
 - (a) Mandatory taxes.
 - (b) Court-ordered child support paid, but not more than the amount ordered by the court.
 - (c) Payments for health insurance.
- (4) Net income from employment or self-employment shall be determined by deducting the expenses of employment from the gross amount received. Expenses of employment shall be limited to the following:
 - (a) Mandatory taxes.
 - (b) Deductions required by the employer as a condition of employment.
 - (c) Deductions for health insurance.
 - (d) Court-ordered child support paid, but not more than the amount ordered by the court.
 - (e) The cost of dependent care for either of the following:
 - (i) A dependent child who is less than 13 years old.
 - (ii) A person who is 13 years old or older and who needs care due to a mental or physical impairment.
- (5) The amount deducted for dependent care pursuant to the provisions of subrule (4)(e) of this rule shall be the actual cost of care or \$200.00, whichever is less, for each person who receives dependent care. The cost of dependent care for a person shall not be allowed as a deduction from the earnings of more than 1 member of the relief group. A deduction for the cost of dependent care shall not be allowed if the caregiver is any of the following persons:

- (a) A member of the relief group.
- (b) A legally responsible relative of the employed person or of the person who needs care.
- (c) A dependent relative of the employed person.
- (d) A person who is not a member of the relief group, if the care can reasonably and safely be provided by 1 of the following persons who lives in the home:
 - (i) A member of the relief group.
 - (ii) A responsible relative of the employed person or the person who needs care.
 - (iii) A dependent relative of the employed person.

History: 1993 AACCS.

R 400.7015 Basic monthly income need standards; determining amount of relief.

Rule 15. (1) A relief group shall be eligible with respect to income if the total combined monthly net income that is received or expected to be received by all members of the relief group in the 30-day period after the date of application for emergency relief is not more than the monthly basic income need standard for the number of members in the relief group.

(2) Income that is more than the basic monthly income need standard for the number of members in the relief group shall be deducted from the cost of resolving the emergency to determine the amount of emergency relief to be issued by the department, except that the department may require that the client execute a reimbursement agreement in the amount of the client's share of the cost of meeting the emergency or reduce or waive the client's share of the cost of meeting the emergency when the department determines that the client's share is not immediately available to meet the cost of the emergency and the service is necessary to remove a threat to life or health.

(3) Basic monthly income need standards are established as follows:

- (a) The basic monthly income need standard for a relief group consisting of 1 member is \$370.00.
- (b) The basic monthly income need standard for a relief group consisting of 2 members is \$500.00.
- (c) The basic monthly income need standard for a relief group consisting of 3 members is \$625.00.
- (d) The basic monthly income need standard for a relief group consisting of 4 members is \$755.00.
- (e) The basic monthly income need standard for a relief group consisting of 5 members is \$885.00.
- (f) The basic monthly income need standard for a relief group consisting of 6 members is \$1,015.00.
- (g) The basic monthly income need standard for a relief group consisting of more than 6 members is the basic monthly income need standard for a relief group of 6 members increased by \$100.00 for each additional relief group member beyond 6 members.

History: 1993 AACCS.

R 400.7016 Eligibility; assets.

Rule 16. (1) If the total combined cash assets that are not exempt from consideration of all members of the relief group are more than the protected cash asset limit, the amount in excess of the protected cash asset limit shall be deducted from the cost of resolving the emergency to determine the amount of emergency relief to be issued by the department.

(2) A relief group composed solely of recipients of any of the following shall have automatic eligibility on the basis of noncash assets:

- (a) Aid to dependent children.
 - (b) State family assistance.
 - (c) State disability assistance.
 - (d) Medical assistance.
 - (e) Food stamps.
 - (f) Supplemental security income paid by the social security administration.
- (3) A relief group whose members' equity in noncash assets is more than the protected noncash asset limit for the number of members in the relief group is not eligible for the state emergency relief program.
- (4) To be relevant to a determination of eligibility, the assets in question shall be legally available to, and under the control of, the client and shall be salable.

(5) In determining the equity in an asset, the department shall deduct all of the following from the market value of the asset:

- (a) Any encumbrances against the asset.
 - (b) The costs incurred in selling the asset.
 - (c) An amount to which a person who is not a member of the relief group is equitably entitled.
- (6) All of the following assets are exempt from consideration in determining eligibility for emergency relief:
- (a) One homestead.
 - (b) Household goods.
 - (c) Personal goods.

 - (ii) Farmland.
 - (iii) Tools, equipment, and machinery.
 - (f) One motor vehicle that is used as the primary means of transportation.
 - (g) The accumulated earnings of a member of the relief group who is a dependent child when both of the following conditions are met:
 - (i) The accumulated earnings are held in a savings account of which the dependent child who earned the money is the sole tenant.
 - (ii) The accumulated earnings are not commingled with money obtained from any source except the earnings of the dependent child.
 - (h) Educational grants and scholarships.
 - (i) The total cash surrender value of life insurance policies.
 - (j) Irrevocable prepaid burial contracts.
- (7) The protected cash asset limit is \$50.00.
- (8) The protected noncash asset limit is \$1,750.00 for a relief group of 1 person.
- (9) The protected noncash asset limit is \$3,000.00 for a relief group of 2 or more persons.

History: 1993 AACS.

R 400.7017 Eligibility; reimbursement of certain emergency relief grants.

Rule 17. As a condition of eligibility for the state emergency relief program, the department may require an applicant to agree to make reimbursement of any of the following:

- (a) The relief that is granted to the extent of any lump-sum payment or potential resources expected to be received, except for those benefits that are unattachable by law.
- (b) The relief that is granted pending the reissuance of a lost or stolen assistance warrant.
- (c) The relief that is issued pursuant to a waiver of any of the eligibility requirements established by these rules.

History: 1993 AACS.

R 400.7018 Eligibility; evaluating need and resources of relief group members.

Rule 18. The need and resources of each member of the relief group shall be evaluated in determining eligibility for relief to meet emergency relief needs. All assets and income of each member of the relief group shall be counted in determining the eligibility of the group and the amount of relief to be issued.

History: 1993 AACS.

R 400.7019 Agreement by client to make potential resources available.

Rule 19. A client shall agree to take all feasible action to make potential resources available before emergency relief is issued.

History: 1993 AACS.

R 400.7020 Client actions contributing to emergency as basis for denial of relief; required payments.

Rule 20. (1) Failure, without good cause, on the part of any member of the relief group to meet required payments for any of the following shall be a basis for the denial of an application for the state emergency relief program if the department determines that the failure to meet required payments contributed to the emergency situation for which relief is requested:

- (a) Rent.
- (b) The purchase of a home.
- (c) Mandatory house insurance premiums required pursuant to the terms of a mortgage or land contract.
- (d) Heating fuel.
- (e) Electricity.
- (f) Water or cooking gas, or both.
- (g) Utility deposits.

(2) The required payments for rent or the purchase of a home are the total amount of the relief group's monthly obligations for these needs during each of the 6 months before the month during which the relief group applies for emergency relief.

(3) The required payments for mandatory house insurance premiums required by the terms of a mortgage or land contract are the total amount of the relief group's obligations for mandatory house insurance premiums that fell due, or were overdue, during the 6 months before the month during which the relief group applies for emergency relief.

(4) The required payments for electricity, heat, and heat and electric deposits are met if, during each month of the 6-month period before the month in which the relief group applies for electricity, heat, or heat and electric deposit assistance, the group paid the combined electricity and heat required payment amounts for the number of persons in the group.

(5) The required payments for a non-energy utility deposit, water, cooking gas, or water and cooking gas are met if, during each month of the 6-month period before the month in which the relief group applies for a non-energy utility deposit, water, cooking gas, or water and cooking gas assistance, the group paid the water or cooking gas, or both, required payment amount for the number of persons in the group.

(6) Good cause shall exist for a failure to meet required payments if the relief group's net countable income from all sources during each month that the group failed to pay shelter, energy, or utility obligations was not reduced pursuant to the provisions of R 400.7021 and was less than the following amounts specified by group size:

- (a) The monthly amount for a relief group consisting of 1 person is \$225.00.
- (b) The monthly amount for a relief group consisting of 2 persons is \$240.00.
- (c) The monthly amount for a relief group consisting of 3 persons is \$255.00.
- (d) The monthly amount for a relief group consisting of 4 persons is \$270.00.
- (e) The monthly amount for a relief group consisting of 5 persons is \$285.00.
- (f) The monthly amount for a relief group consisting of 6 persons is \$300.00.

(g) The monthly amount for a relief group of more than 6 persons is \$300.00, plus an additional \$15.00 per person.

(7) Electricity required payment amounts are established as follows:

- (a) The required payment amount for electricity for a relief group consisting of 1 person is \$22.00 per month.
- (b) The required payment amount for electricity for a relief group consisting of 2 persons is \$29.00 per month.
- (c) The required payment amount for electricity for a relief group consisting of 3 persons is \$35.00 per month.
- (d) The required payment amount for electricity for a relief group consisting of 4 persons is \$42.00 per month.

R 400.7027 Home ownership services.

Rule 27. (1) The department may issue payment for home ownership services, which include any of the following services that are necessary to maintain a homestead:

(a) Mortgage, land contract payments, or mobile home sales contracts, including principal and interest.

(b) Property taxes.

(c) Home insurance premiums that are required pursuant to the terms of a mortgage or land contract.

(d) Mobile home lot rental.

(2) Home ownership services may be approved only to prevent foreclosure or the initiation of a foreclosure or eviction action or loss of a homestead due to unpaid taxes. Emergency relief shall not be approved for home ownership services if there is no plan to ensure that the home will continue to provide safe and affordable shelter for the relief group.

(3) Payment for home ownership services shall not be made unless the income of the relief group is sufficient to meet the total housing obligation of the dwelling unit, thereby assuring that the same emergency will not recur in the immediate future.

(4) Payment for home ownership services shall not be approved if the payment would cause the home ownership services allowance to be exceeded.

(5) The home ownership services allowance is \$2,000.00 for the lifetime of the client.

(6) Payment for home ownership services shall not be approved unless all of the following provisions are satisfied:

(a) A member of the relief group is the owner or purchaser of the home.

(b) The home is the relief group's primary residence.

(c) The home is in livable condition or can be brought to livable condition within the remaining home repairs allowances.

(d) The home is not currently listed for sale.

(7) Payment for property taxes under home ownership services shall not be approved if the total tax arrearage for all years is more than the ownership services maximum of \$2,000.00.

R 400.7028 Purchase of service contracts for food, shelter, and other emergency services.

Rule 28. The department may provide emergency relief through the purchase of service contracts with agencies for food, shelter, and other emergency services for persons who are unable to provide such relief for themselves. Eligibility requirements for the receipt of emergency shelter, food, and other emergency services assistance from such agencies shall be established by contract between the agencies and the department.

History: 1993 AACS.

R 400.7029 Payment for home repairs.

Rule 29. (1) Payment for home repairs may be made only if all the following conditions are met:

(a) The home is owned, being purchased, or held under a life estate by a member of the relief group and is the group's principal place of residence.

(b) The relief group is living in the home, unless the members are absent due to the condition of the home or the health of a member.

(c) The home is not for sale.

(d) The home is not in jeopardy of loss due to unpaid property taxes or foreclosure of a mortgage or land contract.

(e) The repairs are necessary to remove a direct threat to the health or safety of the relief group members.

(2) Repairs shall restore the home to a livable condition.

(3) The most cost-effective repair or replacement of the defect is authorized.

(4) The client may be required to obtain or assist in obtaining an estimate of the costs of repairs.

(5) The client may be required to use a licensed contractor.

(6) If the department authorizes furnace replacement, the client may be required to purchase an energy-efficient unit.

(7) Emergency relief shall not be approved for home repairs if there is no plan to ensure that the home will continue to provide shelter for the relief group in the future.

(8) Payment for home repairs shall not be made unless the income of the relief group is sufficient to meet the total housing obligation of the dwelling unit, thereby assuring that the homestead will provide shelter for the relief group in the foreseeable future.

(9) Payment for home repairs shall not be approved if the payment would cause the federally funded home repairs allowance or the state-funded home repairs allowance to be exceeded.

(10) The federally funded home repairs allowance is \$1,500.00.

(11) The state-funded home repairs allowance is \$1,500.00.
