#### R 338.613 Supervised postgraduate clinical experience; educational limited license; requirements.

Rule 13. (1) The department may issue an educational limited license under section 16182(2)(a) of the code.

(2) An applicant for a license as a speech-language pathologist who meets the educational requirements in R 338.603(1)(a) or R 338.617(1)(a) but who still must complete the required supervised postgraduate clinical experience shall submit the required fee and a completed application for an educational limited license on a form provided by the department. In addition to meeting the requirements of the code and these rules, an applicant for an educational limited license shall meet both of the following requirements:

(a) Have documentation provided directly to the department from an educational program verifying the applicant's possession of a master's or doctoral degree from an accredited educational program that meets the standards adopted by the board under R 338.619 or from an educational program that meets the requirements of R 338.617(1)(a).

(b) Submit a plan for the supervised postgraduate clinical experience on a form provided by the department that is signed by a speech-language pathologist who is licensed and has agreed to supervise the applicant's postgraduate experience.

(3) The supervised postgraduate clinical experience shall comply with both of the following:

(a) The experience shall meet the requirements of R 338.615.

(b) Only experience obtained by an individual who holds an educational limited license in a supervised postgraduate clinical situation approved under R 338.615 shall count toward the experience requirement.

(4) If an individual transfers to a different supervised postgraduate clinical situation, then he or she shall submit a plan for the new supervised postgraduate clinical situation on a form provided by the department that is signed by a speech-language pathologist who is licensed and has agreed to supervise the individual's postgraduate experience.

(5) An educational limited license shall be issued for 2 years and shall not be renewed more than 2 times.

History: 2011 AACCS.

R 338.615 Supervised postgraduate clinical experience; requirements.

Rule 15. (1) The supervised postgraduate clinical experience required for licensure in R 338.603(1)(b) and R 338.617(1)(b) shall consist of 1,260 hours and shall meet the requirements of this rule.

(2) At least 1,008 hours of the 1,260 hours shall consist of clinical contact with the person or population served, regardless of the setting, which includes, but is not limited to, direct client or patient contact, consultations, recordkeeping, and administrative duties.

(3) A supervised postgraduate clinical experience shall be completed under the supervision of a licensed speech language pathologist who holds a full and unlimited license and has no past or pending disciplinary actions.

(4) The supervisor and supervisee in a postgraduate clinical experience shall develop agreed upon outcomes and performance levels for the supervisee and maintain documentation indicating whether the outcomes and performance levels were met by the supervisee.

(5) The supervisor of a supervised postgraduate clinical experience shall engage in a sufficient number of supervisory activities to prepare the supervisee to begin independent practice as a speech language pathologist. Supervisory activities shall include both of the following:

(a) On-site observations of the supervisee engaged in screening, evaluation, assessment, and habilitation or rehabilitation activities. Real time, interactive video and audio conferencing technology may be used to perform on-site observations.

(b) Evaluation of reports written by the supervisee, conferences between the supervisor and supervisee, and discussions with the supervisee's professional colleagues. Correspondence, telephone calls, or review of audio or videotapes may be used to perform this type of supervisory activity.

(6) A supervised postgraduate clinical experience may be fulfilled on a full or part-time basis.

(7) A postgraduate clinical experience approved by the American speech-language-hearing association (asha) qualifies as a postgraduate clinical experience approved by the board.
